PRAYERS

THE WOMAN'S AUXILIARY PRAYER

Almighty God, Our Heavenly Father, bless, we pray Thee, our work for the extension of Thy kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make him known to all nations as their Saviour and their King: through the same Jesus Christ our Lord. Amen.

PRAYER FOR MISSIONS

Almighty God, help us, we pray Thee, to shed abroad the light of Thy Church in all the world. Give us greater zeal for Thy kingdom, that we may offer abundantly our prayers, our work, and our gifts; so that the earth may be filled with the knowledge of Thy glory, as the waters cover the sea; through Thy Son, Jesus Christ our Lord. Amen.

FOR GUIDANCE OF THE HOLY SPIRIT

O God, forasmuch as without Thee we are not able to please Thee, mercifully grant that Thy Holy Spirit may in all things direct and rule our hearts; through Jesus Christ our Lord. Amen.

FOR CHRISTIAN SOCIAL RELATIONS

Guide us, O Master, in all the perplexities of our modern life, and in Thine own good time bring us together in love and unity, making the Kingdoms of this world Thy Kingdom as Thou willest. Who dost live and reign in the Heavenly Jerusalem, the light and joy of the citizens of that holy land. Amen.

FOR THE UNITED THANK OFFERING

O Lord, Our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special care for every need. Guard and guide the workers in the field, and draw us into closer friendship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy kingdom through Jesus Christ our Lord. Amen.

FOR CHRISTIAN EDUCATION

O God, who has sent Thy beloved Son to be unto us the Way, the Truth and the Life, grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of Thy Son, Jesus Christ our Lord. Amen.

THE PRAYER FOR THE SUPPLY WORK

Almighty God, who hast taught us by Thy Son, Jesus Christ, that it is more blessed to give than it is to receive, look with favor, we beseech Thee, upon the supply work of Thy Church, especially in this Diocese. Touch our hearts with compassion for the poor, the sick and homeless, and make us strong to lift their burdens with our ready gifts and service; through Jesus Christ, our Lord. Amen.

PRAYER FOR THE THOMPSON ORPHANAGE

Almighty God, who are the Father of the fatherless, send Thy blessings upon the Thompson Orphanage, instituted in Thy name. Give patience and wisdom to the officers, teachers and matrons of this home, that they may faithfully discharge the duties committed to their charge. Let the boys and girls grow in grace and earnestness, day by day. Strengthen their bodies, enlighten their minds, purify their hearts and sanctify their wills. Bless all who have contributed to this institution, and raise up, we pray Thee, a never-failing succession of benefactors whose names may be perpetuated through all generations, as a blessed memory, and their good deeds be accepted; through Jesus Christ our Lord. Amen.

FOR THE EVERY MEMBER CANVASS

God our Father, who providest for Thy children in advance of their needs, bless we pray the work of our Every Member Canvass, and grant us all to share in it with glad and willing hearts for the sake of Thy Kingdom, through Jesus Christ our Lord. Amen.

FOR DIOCESAN MISSIONARIES

Oh Lord, without whom our labor is but lost, and with whom Thy little ones go forth as the mighty: We humbly beseech Thee to prosper all works in Thy Church undertaken according to Thy holy will, (especially the work of.....) and grant to Thy laborers a pure intention, patient faith, sufficient success upon earth, and the blessedness of serving Thee in Heaven; through Jesus Christ our Lord. Amen.

FOR VOLUNTEERS

Our Father, if it be Thy will, put it into the heart of some young man or woman of this parish to work for the advancement of Thy Kingdom in some foreign land. Inspire us, we pray Thee, with such love and faith that we may be willing to go unto the uttermost parts of the earth in answer to Thy call. This, and all things which are for Thy glory, we ask for Christ's sake. Amen.

NOONDAY PRAYERS

Blessed Saviour, who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look unto Thee and be saved. Amen.

Blessed Lord, inspire our hearts and the hearts of all men everywhere with the love of God and of our fellowmen, that we may be worthy of world peace. This we pray in Jesus' name. Amen.

FOR USE BEFORE AND AT THE TIME OF THE ELECTION OF OFFICERS

O Holy Spirit, Whose guidance and inspiration alone can enable us to fulfill the Will of God, teach us, we pray Thee, the dignity of our missionary work, and give us grace to choose as our leaders those whom Thou dost call to Thy faithful service. To those so chosen give a spirit of reverence in the exercise of their office, and to all of us a deep sense of our obligation in the discharge of every duty, to do all the glory of God through Jesus Christ our Lord. Amen.

BENEDICTION

May the blessings of God Almighty, the Father, the Son, and the Holy Spirit, rest upon us and upon all work and worship done in His Name. May He give us light to guide us, courage to support us, and love to unite us, now and forevermore. Amen.

SERVICE OF INSTALLATION OF OFFICERS FOR THE WOMAN'S AUXILIARY

Let those who have been elected stand before the Bishop and then let him say:

It is right and fitting that those who have been duly elected as Diocesan Officers of the Woman's Auxiliary should be formally received and admitted into their respective offices in your presence, and that we should ask the blessing of God upon them for their support and guidance in the performance of the duties which you have laid upon them.

O Lord, save these Thy servants.
Who put their trust in Thee.
Send them help from the holy place,
And evermore mightily defend them,
O Lord, hear our prayer.
And let our cry come unto Thee.
Let us pray.

Our Father . . .

Direct us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life: Through Jesus Christ our Lord. Amen.

Almighty God, the giver of all good gifts; give Thy Grace, we humbly beseech Thee, to these Thy servants who have been chosen to serve Thee in the special work for which they have been selected; grant unto them zeal and earnestness in the performance of their office; wisdom and strength to meet each day their task; and love in the doing of it; and give them the vision to see their opportunities for service, to the glory of Thy great name and the benefit of Thy holy Church! Through Jesus Christ our Lord. Amen.

Bless us, O God, with the vision of Thy Being and Thy Beauty, that in the strength of it we may work without haste and without rest; Through Jesus Christ our Lord.

I receive and admit you to the office of..... Be faithful, zealous, sincere and humble in all your tasks, and may the Grace of our Lord Jesus Christ and the love of God our Father and the guiding fellowship of the Holy Spirit be with you evermore. Amen.

BENEDICTION

The Father, Son, and Holy Ghost bless, preserve and keep you, in your work, in your worship, this day and always, through Jesus Christ our Lord. Amen.

ANALYSIS OF YEAR OF WOMAN'S AUXILIARY OF DIOCESE

1. Fiscal year of Diocese and branches runs Jan. 1 to Dec. 31 because it must coincide with National Council fiscal year.

2. Year of active study and action runs from 1st meeting in Fall (Sept.) to last meeting before Summer recess (June). Reason: It must conform to the plans and material sent out from National headquarters, and to the Diocesan Annual Meeting which must be held in the favorable weather of Spring.

3. Summer is preparation period for activities to follow—it is the inactive first part of a new year of study and action.

4. New officers should be elected at a branch meetng prior to Annual Diocesan Meeting. Reasons: (a) New officers are taken into consideration in the election of delegates to the Annual Meeting, (b) New officers' names can be given on report of the year's study and action for publishing in year book.

5. New officers should be installed at last meeting berfore Summer recess (June meeeting). A few branches meet during Summer. Their officers should also be installed at end of June meeting.

6. Officers installed at June meeting spend Summer preparing for coming year of activity. Program of Christian Education should be prepared during this time.

7. New president presides at 1st Fall meeting (Sept.). For branches meeting during Summer she presides at July meeting.

8. Report blanks are sent out to branches in March Diocesan president's letter. Reports cover period from previous July 1st to May 1st (as late in year as possible and yet in time for publishing in year book). Reports are mailed back to District Chairman and Diocesan President in May. List of recently elected officers sent in on report then becomes correct in year book for longest period of year possible.

9. Year book is sent out in August, before if possible.

10. New treasurer is actually installed in middle of fiscal year, along with other officers, but this is much easier for her than taking office in January when she would immediately have to set up new pledges and budget.

11. Annual Diocesan Meeting is the middle of April. This conforms to date of Diocesan Convention of the Church, and to the Bishop's schedule. Year's reports are not available for Diocesan officers for Annual Meeting, but "reports" at this meeting could consist of plans for the future and a general picture of work.

THROUGH CHRISTIAN EDUCATION WE PREPARE TO BE WITNESSES

Branch programs this year have given evidence of growth, by Auxiliary groups and individuals, in study and action that is real and vital.

We will soon be engaged in planning for the 1948-1949 study and action. Our summer conferences will give much inspiration and practical help. Small planning groups and individuals will wish to take stock of objectives, weaknesses and failures in order that we may increase our efforts in worship, study and action during 1948 and '49—the last year of the triennium.

Let us now review just what we have been striving for and what we must continue to strive for. Is it not that through God's guidance we may be participators in the establishing of His Kingdom here on earth?

This is expressed in our Women's Auxiliary theme—Strength to Build—and is in the form of a prayer, "Give us, Oh God, the strength to build the city that has stood too long a dream."

The Church has pointed out to us Christ's answer to that prayer —"Ye shall receive power after that the Holy Spirit is come upon you, and ye shall be witnesses unto me in Jerusalem, and in all Judea and in Samaria, and unto the uttermost part of the earth."

If we consider the several phrases of Christ's answer we see that in the first two phrases He gives us assurance that we shall receive the strength to build for which we pray—"after that the Holy Spirit is come upon us." Is this not the imperative reason to study our Christian Faith?

The next phrase, "And ye shall be witnesses unto me," tells us that when the Holy Spirit is come upon us we shall not only have strength but we shall be God's instruments, willing and eager witnesses, believers with knowledge and conviction, testifying in Christian living.

The phrase "In Jerusalem," which was the loved and well-known city of the Jews, may be interpreted that our witnessing unto Christ begins within the Christian Home and Family. Shall we not therefore concern ourselves with this study?

In the phrase, "And in all Judea and in Samaria," we are commanded to witness as brothers in our social and economic relations beyond our limited, familiar home, and town into state, sections, nation, neighbor nations and on out into the world. This is the study of the Christian World.

The phrase, "And unto the uttermost part of the earth," brings to us the imperative to witness by sharing the word of God and Christ's way of life with all men, even unknown and remote peoples. This then is the study of the World Mission of the Christian Church.

And so we know what we are striving for—the strength to build the city of God. We have Christ's assurances and commands for the way we shall obtain that city. Now let us look for a moment on what Woman's Auxiliary offers us as aids and opportunities in Christian growth.

Woman's Auxiliary activities contain five essential elements to aid us in answering our prayer and to provide opportunites for action. These elements are: Worship, Study, Service, Gifts and Fellowship.

The element of worship distinguishes our work from that of civic organizations concerned with creating a better world. Worship is placed first in the order, reminding us that witnessing through service and gifts and fellowship needs as a basis the element of worship—the means through which the Holy Spirit may come upon us.

It is significant that study is placed next to worship in the order. Study means to read, think, question, discuss, learn and come to conclusions and convictions so that we gain real knowledge and understanding which can be translated into true Christian witnessing in service, gifts and fellowship.

A project or action, of course, may begin with any one of these elements but before it reaches its final conclusion the project needs to include the other elements. Let us not consider that action without study will ever be enough nor study without action will be enough. Above all let us remember that study and action must be based on true worship.

May we then each one of us sincerely pray, "Give us, Oh God, the strength to build the city," and open our hearts and minds to the knowledge and love of God, and diligently study, that we may be witnesses unto Christ through true faith in His word, in our homes and in our world and in the mission of the Christian church.

PRESIDENT'S MESSAGE

66th ANNUAL MEETING — WOMAN'S AUXILIARY
Christ Church, Raleigh, April 14, 1948

"*Ye Shall Be Witnesses*"—This command strikes a most solemn response from Christian hearts today. Simple acquiescence is not witnessing for Christ in any generation, but certainly for us there are such grave questions to be faced in our world and in our personal lives that we know it is a time when Christians must stand and be counted. We are probably more blessed in our material surroundings than any group of women in the world today, and yet even for us it requires courage to speak for Christian principles among people who are amused or antagonistic.

Our Woman's Auxiliary provides wonderful opportunities for witnessing to Christ; it disciplines us in ways of witnessing to Him. If only we will give our best talents, our eager imagination, our first allegiance among organizations to the Auxiliary then we will develop these opportunities beyond anything we have attained so far. Because the life of the Woman's Auxiliary is interwoven with and derived from the life of the Church, because it is dependent upon the life of the Church, we can avail ourselves of a strength and guidance in our work not readily accorded other, secular organizations. As members of the Church, the family of God, we know that only from a worshiping heart can come the eagerness to carry the Good News of the Gospel to others here at home and abroad.

In our program for this meeting we will find constant reminders that the Christians of the Young Churches are witnessing to Christ among us with power and conviction. They are sending to us missionaries who make us realize our limited appreciation of the treasures they value above life.

During this year one new branch of the Auxiliary has been formed, the Francis Joyner branch of All Saints Parish, Roanoke Rapids. In the coming year the formation of new branches should be a special objective of this Diocese. This would be one way of accepting our task as Auxiliary to the Church's program of Evangelism. We must realize that a woman who comes first to Auxiliary meetings may be brought into the Church by means of the Auxiliary. This is the highest fulfillment of our purpose. At this date 53 branches have made a total increase of $1003.50, in their pledges to the Diocesan budget of 1948. This is cause for rejoicing when we believe that it indicates an increased interest on the part of the members of these branches in the missionary program which the budget supports.

There is no important fault to be found in the plan of organization of the Woman's Auxiliary on the Diocesan level. Our work is as good and as bad as we who do it—and we are the general run of Episcopal sinners! We have put emphasis in the past two years on pruning and clarifying methods of doing our work. It now seems wise in the last year of the triennium for us to emphasize activities that are more obviously spiritual. However, if your branch still needs emphasis on clarifying methods of organization, by all means you should continue your efforts on these lines until efficient organization becomes automatic for you

and may be forgotten in favor of other emphases. In the Diocese during the coming year we should stress the individual reading of the classics of Christian literature and the works of contemporary writers who open our minds to the teachings of Christ through the doctrines of His Church. Plans are taking form to have in each District during the coming year a Quiet Day of Prayer and Meditation conducted by one of our clergy, at a time and place convenient to the members of the Auxiliary in that District.

In the coming year our branches must have faith to launch out on bold ventures believing that God will bless our untiring efforts with sufficient success in the end. In these things we will be laying up for ourselves treasures "Where neither moth nor rust doth corrupt and where thieves do not break through nor steal."

MARION ALSTON BOURNE.

REPORT OF UNITED THANK OFFERING CUSTODIAN

The United Thank Offering is not an appeal for Funds. The Offering grows as there is developed in people a sense of thankfulness. The amount given is important to the individual members of the Church only in so far as it is an indication of the spiritual growth of people. We must keep ever before us, not statistics, but the growth in the hearts of women everywhere of a deep sense of thankfulnss to Almighty God.

It is a habit of Americans to emphasize the Big—an undertaking is a success if it is Big. We think we have failed if statistics do not show an increase in Bigness and Numbers. The size of the United Thank Offering indicates success only as it indicates that more women are expressing a real sense of thankfulness. In evaluating our year's work we must read our statistics correctly. The United Thank Offering is for all the women of the Church. The Woman's Auxiliary usually comprises the most active women of a Parish. Yet it is evident from the reports sent in to me that even some of the members of the Auxiliary are not contributing to the United Thank Offering. The Offering provides a very definite thing we can do to express our sense of thankfulness so that it can be used in the service of God.

As Diocesan Custodian I wish to express thanks to all who have given loyal assistance. The efficiency of the Ingathering rests upon the interest and promptness in sending in reports, and the organization works smoothly only with the cooperation of the persons in key positions. A deadline has been set for each Ingathering, approximately three weeks after the Ingathering date so that any funds coming in after that date will be applied to the following Ingathering. A printed form is being prepared to facilitate reports by District and Branch Custodians. These will be sent out in plenty of time before each Ingathering.

Our Fall Ingathering amounted to $7,447.04 and the Spring Ingathering amounted to $7,445.18, making a total of $14,892.22. As you can see by the report given in the Year Book for last year we have given more dollars this year—let us pray that this stands for spiritual growth and let us during the coming year in United Thank Offering programs emphasize, as we should, the Spirit of Thankfulness.

Respectfully submitted,

MYRTLE H. MCCOY,

U.T.O. Custodian.

REPORT OF SECRETARY OF CHRISTIAN SOCIAL RELATIONS

This is my third and last report as Secretary of Christian Social Relations of the Diocese of North Carolina. At the outset, I want to say it is a privilege and a pleasure to have served with such a fine group of church women and I will take with me through life the inspiration I have received from my association with them.

During the year, we have given to the Presiding Bishop's Fund for World Relief; sent Christmas kits to the Seamen's Church Institute; we have contributed to the Thompson Orphanage and done many things locally in our various branches. Our number one concern is still World Relief. We must continue to help our hungry and needy friends in Europe if we are to enjoy peace at home.

In my 1947 report, I said that it was my sincere wish that we continue to support the National Council in whatever projects it approved. I want to again state that wish. The National Council is headquarters for all departments of our Church and it should be our duty and pleasure to support the projects which the Council proposes with all of our ability. Co-operation with the National Council during the past year was made somewhat difficult by the action of the Diocesan Council in deciding not to co-operate with and participate in one of the projects of the National Council. In my opnion this was a mistake on the part of the Diocesan Council.

I fear that I have seen a lag in the activities of this department since the end of the war. To me Christian Social Relations is not something to be aroused by patriotic fervor brought about by war conditions. It is the heart and soul of religion itself and should be of a constant nature. It is born in our love for our fellowman and bred in our desire to be of assistance to him.

Money plays a large part in everything in life, including Christian Social Relations, and much credit is due those local branches which have so splendidly met their aims from a financial standpoint; but Christian Social Relations means so much more than the raising of money for some particular project. It means a demonstration of that love for our fellowman in the thousand and one ways it can be demonstrated: a kind word here, a thoughtful gesture there. These mean, frequently, as much to some people as a ton of coal would mean to some others.

And so, to look forward, I would recommend to my successor that much emphasis be placed upon the non-monetary phase of Christian Social Relations; that an effort be made to instill into the Auxiliary that money, while necessary, is only a part of what is necessary, and that thoughtfulness and kindness and consideration for others is every bit as necessary. Our field is large. We can expand our work or we can limit it—we can do much or we can do little, depending entirely on how good a Christian we are.

We hear much of the "New Look" these days. I sincerely hope we may acquire it spiritually; make our lives more meaningful, more tolerant and wear the "New Look" in our hearts. I believe it will be more becoming spiritually than stylishly.

Respectfully submitted,
MOLLIE CARTER SPRUILL,
Secretary of Christian Social Relations.

REPORT OF SECRETARY OF SUPPLY

The purpose of the Supply Department of the Woman's Auxiliary is to be a thoroughly organized channel through which every mission station, institution and hospital of our Church may receive the necessary clothing, linens, medical and hospital supplies to enable that station, institution or hospital to do its best work.

Our part in this service has during the past year been more widespread throughout the branches of the diocese than in any previous year of my term of office, and for this I am deeply grateful as it shows an interest and enthusiasm far beyond the actual work. The opportunity to serve special fields will do a great deal toward creating interest in and appreciation of missions after a stimulating study of Evangelism. When carefully planned, Supply work may offer "the last woman in the last pew" her opportunity to share in the task of helping Church General Hospital, Wuchang, China, minister to the sick and homeless in that city. It is impossible for us to work for any mission without our hearts and prayers reaching out to meet the workers with every possible assistance.

Our Supply Work is planned to be carried on throughout the entire year of study and action, and the fields of service are varied, so our special effort has been to keep the opportunities for service presented throughout the year's program, rather than to concentrate on one program.

With your pledges and gifts the diocesan Supply department has made the following contributions to work outside the diocese:

I. A contribution of $75 to the Supply Secretaries Gift Fund. This fund makes possible gifts to retired missionary clergymen and their widows and in addition, supplies a yearly gift of a suit of clothing to the layreaders and catechists and interpreters in Alaska and South Dakota, where the task of ministering to the people in their own language necessitates the employment of such helpers. Their stipend is very small and the gift of clothing enables them to be suitably clothed when they lead the services. This fund during the past year also suppiled our new missionary doctor at St. Timothys Hospital, Liberia, with household goods.

II. 366 new articles of linens and clothing has been sent to Buck Mountain Mission in Earlysville, Va.

III. Our Redeemer Dispensary Center, Pineville, S. C., has received 628 new articles and 10,000 paper napkins.

IV. Church General Hospital, Wuchang, China, has been sent 504 new garments and articles, most of which have been made by several branches that have undertaken to help with sewing.

In addition to this the amount of work and money spent for postage and express charges that has gone into the sending of used clothing to the above stations and the Philippine Islands is of such proportions I cannot make any attempt to report figures to you, but the letters of appreciation from the Missions and our National Supply Secretary testify to the splendid way you have responded to each and every request.

It has been a very happy privilege to have been your diocesan Supply Secretary for the past three years. I am grateful for your confidence and cooperation and pray that in the future supply work will bring to more Auxiliary women a larger opportunity to share in the "building of the City" whose Maker and Founder is God, that their lives may be enriched by serving, and the missions and work of our Master blessed by receiving their joyful service.

Respectfully submitted,

CATHARINE M. THOMAS,
Secretary of Supply.

REPORT OF REPRESENTATIVE ON DIOCESAN COUNCIL AND CHAIRMAN OF YOUTH WORK

As my report as your representative on the Bishop's Council, I shall say only that I continue to find the meetings most stimulating, interesting, and informative. It is a rare privilege to attend them four times a year, and I'm sorry all of you cannot be present to hear for yourselves the discussions concerning the Church, both local and national. Mrs. Bourne, Mrs. Landon Hill, and I are the ladies on the council at present, and there are fourteen men, clergy and laymen. I trust you all read the N. C. Churchman and learn from its reports the results obtained and the decisions made at those meetings. Your President makes a report of the work of the Auxiliary, which is always enthusiastically received by the other members of the council. May I add that not the least of the pleasures attendant upon these all-day sessions is the delightful luncheon we enjoy as guests of Bishop and Mrs. Penick at Ravenscroft!

I am happy to say that since my last report as Diocesan Chairman of Youth Work, there have been several appointments of Youth chairmen in the districts. That, of course, means that the work will go more smoothly. The reports sent in to me have been most gratifying, and I'm sorry that lack of time prevents my going into detail about the many different ways our young people are working in and for the Church and for others, both here and abroad. Suffice it to say that a great many branches have young people's organizations; and many others, some quite small numerically, have stirred up interest among the young people without having an actual organization. That, too, is important. Get the Youth of the Church interested and working whether the group is organized or not.

I'm sure you all know of the World Conference of Christian Youth which was held in Oslo, Norway, last summer. There were five delegates from our Church in this country, and four other Episcopalians representing other organizations. The study of this conference is one of the major aims of the 1947-48 program of the United Movement of the Church's Youth. The other majors are the continued stressing of the Rule of Life for individual Young People, the Epiphany Feast of Lights, the Corporate Communion for Young People April 18th (next Sunday—I hope our churches will be *full* of young people), and Youth Sunday and the Annual Offering in October.

Let me urge you to start immediately—if you have not already done so—to foster interest and enthusiasm in our diocesan camps and conferences. It is my earnest hope that every branch will be represented by a young person at Vade Mecum or Camp Delaney this summer. The influence felt there may provide the foundation for a life devoted to religious work, and we are in dire need of trained workers.

Locally, we sorely lack, and must have, adult supervision of and guidance for our youth. That is all-important; and I pray that by next year when I make my final report, I shall be able to say

that every branch in the Diocese has a Chairman of Young People's work. Will you help me make that come true?

Respectfully submitted,

MABEL S. LUCAS,
Chairman of Youth Work and Representative on Diocesan Council.

REPORT OF MISSIONARY CORRESPONDENT

The time has come to evaluate what has been accomplished during the past year before we enter another year with its new goals and aims.

As Diocesan Missionary Correspondent, I realized that more effective work could be accomplished if there was a duly appointed Missionary Correspondent in every Branch of the Auxiliary. To this end, I have written many letters. The result has been gratifying. Forsyth-Rowan, Miss Sallie Grimes, District Correspondent, was the first 100% District, followed by the Districts of Granville, Guilford, Mecklenburg and Richmond. By the time the Year Book is printed, we hope the four remaining vacancies, namely: Edgecombe 2; Wake 1; Orange 1 will have been filled. The Negro District has increased the number of Correspondents by two.

There has been a decided increase in interest judging by the number of Branches that have requested information on missionaries to be used on programs. These requests have been answered promptly and material sent.

Through letters and cards our missionaries are made to feel that we are in close personal touch with them and are praying for them regularly.

An increase in the amount of the Christmas checks is also a concrete evidence of wider interest.

The District Correspondents have cooperated in a very fine way, getting material out promptly to the Branches. The Contacts which I have made personally and through letters with these splendid women will be cherished by me to the end of time.

Respectfully submitted,

NELLIE P. JOHNSON,
Missionary Correspondent.

REPORT OF REPRESENTATIVE ON NORTH CAROLINA LEGISLATIVE COUNCIL

Working in cooperation with Mrs. Huddle, the Diocesan Secretary of Christian Education, we hope each Branch of the Woman's Auxiliary will study in 1948-49 the five-point program of the N. C. State Legislative Council. This will be the program promoted by the Council during the 1949 session of the State Legislature. Your branch Secretary of Christian Education should receive a copy of

the program during the summer. The five points are as follows:

I. Provide an effective system, with adequate financial support, for the enforcement of the compulsory school attendance law.

II. Provide minimum wage and maximum hour standards for women and minors.

III. Provide for state participation in general assistance for persons between 16 and 65 years of age in need of financial assistance.

IV. Provide, through the School-Health Coordinating Service, for complete physical examinations for all school children at reasonable intervals with a definite plan of referrals for the necessary follow-up treatment.

V. Provide for strengthening the marriage requirements and safeguarding the divorce laws; and that in divorce proceedings involving children a definite plan for the care and custody of any child under 18 years of age must be presented to the judge hearing the case.

It is interesting to know how the program of the Council is formulated and agreed upon. Over a year ago each of the member organizations of the Council, of which our Diocesan Auxiliary is one, was invited to submit subjects for social legislation, to be considered in formulating a tentative program. Last Fall (1947) the proposals whch had been received were submitted to four committees in the general fields of Education, Health, Labor and Welfare. These committees studied the proposals submitted to them and presented reports to a meeting of the Executive Board of the State Legislative Council, held in February, 1948. After extensive study, the Executive Board of the Council recommended the 5 projects which were approved at a meeting February 20, as the tentative legislative program. This program was submitted for approval or disapproval to the member organizations of the Council.

Our Woman's Auxiliary approves the program as a basis of study for our branches. The women in the branches, having this opportunity of informing themselves concerning proposed social legislation, recommended by leaders well equipped to advise us on such matters, can then make their individual decisions on the bills that come before the Legislature. They can write to their representatives in the Legislature and can vote for representatives according to the opinions they form in study, and the records of the men who represent them.

The other member organizations of the State Legislative Council take an active part in lobbying for the bills that carry out the 5-point program finally agreed upon by the Council. Your representatives from the Woman's Auxiliary do not do this, but they stand ready to help you in any way possible in your study of the program. They are also glad to receive your opinions for their future guidance.

Respectfully submitted,

KATHERINE DUFF POWELL,

Rep. on N. C. State Legislative Council.

REPORT OF PERSONNEL CHAIRMAN

To interest women and girls of our Diocese in Church work as a vocation is the purpose of this committee. To this end, it should inform them of jobs within the Church open to women, and the training and qualifications required. Also, it should acquaint them with present vacancies at home and abroad. Particularly in this connection, it should act as a liaison between the women in the various branches and the Personnel Department of the National Woman's Auxiliary.

If the Church is going to make an impact on the world today, we must have trained workers placed at strategic spots, both at home and abroad. There is an urgent need for Directors of Religious Education, Rural Workers, College Workers, Social Workers both home and abroad, Nurses, Teachers and other Missionary Specialists. The Post War work over seas needs trained workers as never before.

We are asking each branch of the Auxiliary this year to be ever mindful of personnel vocational Church work, and to pray diligently that these fields of service now open may be supplied with efficiency and consecration.

Any women interested in professional church work are asked to get in touch with the chairman and receive through her the material from National Personnel Department.

Respectfully submitted,

BELLE DAVIS CHEATHAM,

Personnel Chairman.

REPORT OF CHAIRMAN OF CHURCH PERIODICAL CLUB

The Church Periodical Club represents a unique, essentially vital but much neglected section of missionary endeavor. Let us think of it in terms of a crusade against spiritual illiteracy. Particularly at this time there is need for the contributions which the C.P.C. work can make to the missionary program of the Church.

During the recent war whole libraries of schools and seminaries in the mission field were destroyed. Funds have been raised for the restoration of seminary libraries in Japan and the Philippines, but the financial goals have by no means been reached. A gift from the budget of your branch or from individual members will help in this important task.

Our own periodicals that we consider of real value may be sent on as quickly as we have read them to some person in the mission field. Our missionaries in lonely fields of service need the spiritual stimulation of reading the same things that we at home read for strength and growth. Christian books of study, devotion, biography and entertainment, and subscriptions to periodicals, secular and religious—these can be sent to a mission worker, a priest or a Bishop in the mission field as evidence of our continuous concern for them and the work they are doing. Gifts of books and periodicals printed in Braille may be made by your branch or by indi-

viduals. A memorial book sent to a mission field, instead of flowers sent to a funeral, is most fitting.

The National Office is always glad to send you the names of those to whom these gifts may be sent. They will also send you a Manual, price 25c, and a pamphlet, "Share With Them," which will be guides for doing the work in your Auxiliary in the future. The address is:

The Church P. C. National Headquarters
120 E. 22nd St., New York City

All gifts of money should be sent to the Woman's Auxiliary Diocesan Treasurer, marked "Special—Church Periodical Club."

The responsibility for seeing that C. P. C. work is done by the Auxiliary branch as a whole should be assigned to some one member. If your branch cannot have a C.P.C. Secretary, then some other officer who is interested and whose other duties are related to this work should be given the responsibility. She can then report to the branch on the places and people who need and receive your gifts. The whole plan then becomes a part of our Christian Education on the mission of the Church to the World.

We must pray for increased interest and cooperation in this work during 1948-49 when we celebrate the 60th anniversary of the beginning of the Church Periodical Club.

Respectfully submitted,
LILLIE HILL, *Diocesan Chairman*
Church Periodical Club.

REPORT OF FIELD WORKER IN THE NEGRO DISTRICT

As early as June 10, 1947, through the intense interest and kindness of our Interracial Chairman, Miss Emma J. Hall, plans began to take shape for a field worker in our district. On July 11th in conference with our Diocesan President, Mrs. Bourne, and Miss Hall, the order was kindly given, "Go Forward," and from then we went, praying God's Holy Spirit to guide us every step of the way.

In early September I had a conference with top executives at "281," New York City, and received much help, literature and encouragement.

September 12th visitations began. We have 19 churches, 2 of which are parishes—all having had some semblance of an Auxiliary branch. Fifteen of the nineteen have been visited thus far with 10 to 20-odd women present in most places. I attended church services and church schools, in most places speaking, by request.

I attended two meetings of the Department of Christian Education at St. Mary's Student Center, Greensboro, and two Youth Conferences at St. Mark's, Wilson, and St. Philip's, Salisbury. The District meeting in the Fall was well attended and we had a very good program under the direction of our efficient Chairman, Mrs. J. W. Black.

Material was sent each branch for World Day of Prayer. One woman used 100 or more leaflets and posters. I shared in a city-

wide service and program with approximately 100 persons present.

During the severe weather I sent out approximately 200 letters, many cards and made 66 visits to the sick and shut-ins in Durham.

Our Goals:

1. Organize branches on Diocesan and World-Wide plans—have had to reorganize most branches.

2. Become Auxiliary conscious—to feel the Spirit of the organization, that of spreading God's Kingdom in the lives and hearts of all people.

3. Recognize the value of using and studying our Year Book as the wonderful guide it is.

4. Emphasize the acceptance of the challenge given in Mrs. Huddle's excellent article, "Christian Education for Each Auxiliary Woman."

5. Peruse the 5 Objectives of the Woman's Auxiliary.

6. Have well planned programs for the year—some branches have done well on this point.

7. Live up to our obligations, financial, moral and spiritual.

Our Plans:

To put forth every possible means to continue to push our work in advancing in Christian Education.

To improve, personally, in understanding of each phase of the work through study, work and prayer, and to pass it on to others.

Being especially interested in the Future Church—Our Youth—we cannot too strongly emphasize our hopes and plans for greater work among them and for building up our Church Schools.

With 19 churches and only seven or eight ministers we can readily see how very poorly we are manned and greatly handicapped for leadership, and in some places very poor buildings and little equipment. The few ministers attempt to carry on two or three churches each—an almost impossible job. They are overworked or, in instances, not working enough so that results are far below par. Many fine, strong outsiders love our services. Others are hungry for the light, and we must "Go into all the world." People are there wanting to come in—they are willing and anxious to work. The lack of strong leadership is our greatest handicap and crying need! We need our Bishop's help to adjust some important matters. We must plan and recruit for really progressive, consecrated Leadership!

Respectfully submitted,

CONSTANCE YOUNG,
Field Worker.

. . . . . I ought to consider the business which occurs in the daily order of Providence as the work which God appoints me; and I should apply myself to it in a manner worthy of God, namely, with exactness and with tranquility. I ought not to neglect anything or be passionately vehement about anything, for it is dangerous to do the work of the Lord negligently on the one hand; or, on the other, to appropriate it to ourselves by self-love and false zeal. In this last case, our actions arise from a principle of self-will: we are eager and anxious for the success, and that under the pretence of seeking the glory of God. Thus self-love disguises itself under the appearance of zeal; and grieves and is afflicted when it miscarries in its designs. O God, grant me Thy grace to enable me to be faithful in action and resigned in success! My only business is to do *Thy* will, and to do it *as Thy will*, not forgetting Thee in the performance of it. It is in Thy pleasure to give my feeble endeavors success or to frustrate my every effort.

PRAYERS

THE WOMAN'S AUXILIARY PRAYER

Almighty God, our Heavenly Father, bless, we pray Thee, our work for the extension of Thy kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make him known to all nations as their Saviour and their King: through the same Jesus Christ our Lord. Amen.

PRAYER FOR MISSIONS

Almighty God, help us, we pray Thee, to shed abroad the light of Thy Church in all the world. Give us greater zeal for Thy kingdom, that we may offer abundantly our prayers, our work, and our gifts; so that the earth may be filled with the knowledge of Thy glory, as the waters cover the sea; through Thy Son, Jesus Christ our Lord. Amen.

FOR GUIDANCE OF THE HOLY SPIRIT

O God, forasmuch as without Thee we are not able to please Thee, mercifully grant that Thy Holy Spirit may in all things direct and rule our hearts; through Jesus Christ our Lord. Amen.

FOR CHRISTIAN SOCIAL RELATIONS

Guide us, O Master, in all the perplexities of our modern life, and in Thine own good time bring us together in love and unity, making the Kingdoms of this world Thy Kingdom as Thou willest. Who dost live and reign in the Heavenly Jerusalem, the light and joy of the citizens of that holy land. Amen.

FOR THE UNITED THANK OFFERING

O Lord, Our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special care for every need. Guard and guide the workers in the field, and draw us into closer friendship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy kingdom through Jesus Christ our Lord. Amen.

FOR CHRISTIAN EDUCATION

O God, who has sent Thy beloved Son to be unto us the Way, the Truth and the Life, grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of Thy Son, Jesus Christ our Lord. Amen.

THE PRAYER FOR THE SUPPLY WORK

Almighty God, who hast taught us by Thy Son, Jesus Christ, that it is more blessed to give than it is to receive, look with favor, we beseech Thee, upon the supply work of Thy Church, especially in this Diocese. Touch our hearts with compassion for the poor, the sick and homeless, and make us strong to lift their burdens with our ready gifts and service; through Jesus Christ, our Lord. Amen.

PRAYER FOR THE THOMPSON ORPHANAGE

Almighty God, who are the Father of the fatherless, send Thy blessings upon the Thompson Orphanage, instituted in Thy name. Give patience and wisdom to the officers, teachers and matrons of this home, that they may faithfully discharge the duties committed to their charge. Let the boys and girls grow in grace and earnestness, day by day. Strengthen their bodies, enlighten their minds, purify their hearts and sanctify their wills. Bless all who have contributed to this institution, and raise up, we pray Thee, a never-failing succession of benefactors whose names may be perpetuated through all generations, as a blessed memory, and their good deeds be accepted; through Jesus Christ our Lord. Amen.

FOR THE EVERY MEMBER CANVASS

God our Father, who providest for Thy children in advance of their needs, bless we pray the work of our Every Member Canvass, and grant us all to share in it with glad and willing hearts for the sake of Thy Kingdom, through Jesus Christ our Lord. Amen.

FOR DIOCESAN MISSIONARIES

Oh Lord, without whom our labor is but lost, and with whom Thy little ones go forth as the mighty: We humbly beseech Thee to prosper all works in Thy Church undertaken according to Thy holy will, (especially the work of.....) and grant to Thy laborers a pure intention, patient faith, sufficient success upon earth, and the blessedness of serving Thee in Heaven; through Jesus Christ our Lord. Amen.

FOR VOLUNTEERS

Our Father, if it be Thy will, put it into the heart of some young man or woman of this parish to work for the advancement of Thy Kingdom in some foreign land. Inspire us, we pray Thee, with such love and faith that we may be willing to go unto the uttermost parts of the earth in answer to Thy call. This, and all things which are for Thy glory, we ask for Christ's sake. Amen.

NOONDAY PRAYERS

Blessed Saviour, who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look unto Thee and be saved. Amen.

Blessed Lord, inspire our hearts and the hearts of all men everywhere with the love of God and of our fellowmen, that we may be worthy of world peace. This we pray in Jesus' name. Amen.

FOR USE BEFORE AND AT THE TIME OF THE ELECTION OF OFFICERS

O Holy Spirit, Whose guidance and inspiration alone can enable us to fulfill the Will of God, teach us, we pray Thee, the dignity of our missionary work, and give us grace to choose as our leaders those whom Thou dost call to Thy faithful service. To those so chosen give a spirit of reverence in the exercise of their office, and to all of us a deep sense of our obligation in the discharge of every duty, to do all the glory of God through Jesus Christ our Lord. Amen.

BENEDICTION

May the blessings of God Almighty, the Father, the Son, and the Holy Spirit, rest upon us and upon all work and worship done in His Name. May He give us light to guide us, courage to support us, and love to unite us, now and forevermore. Amen.

SERVICE OF INSTALLATION OF OFFICERS FOR THE WOMAN'S AUXILIARY

Let those who have been elected stand before the Bishop and then let him say:

It is right and fitting that those who have been duly elected as Diocesan Officers of the Woman's Auxiliary should be formally received and admitted into their respective offices in your presence, and that we should ask the blessing of God upon them for their support and guidance in the performance of the duties which you have laid upon them.

O Lord, save these Thy servants.
Who put their trust in Thee.
Send them help from the holy place,
And evermore mightily defend them,
O Lord, hear our prayer.
And let our cry come unto Thee.
Let us pray.

Our Father . . .

Direct us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life: Through Jesus Christ our Lord. Amen.

Almighty God, the giver of all good gifts; give Thy Grace, we humbly beseech Thee, to these Thy servants who have been chosen to serve Thee in the special work for which they have been selected; grant unto them zeal and earnestness in the performance of their office; wisdom and strength to meet each day their task; and love in the doing of it; and give them the vision to see their opportunities for service, to the glory of Thy great name and the benefit of Thy holy Church! Through Jesus Christ our Lord. Amen.

Bless us, O God, with the vision of Thy Being and Thy Beauty, that in the strength of it we may work without haste and without rest; Through Jesus Christ our Lord.

I receive and admit you to the office of..... Be faithful, zealous, sincere and humble in all your tasks, and may the Grace of our Lord Jesus Christ and the love of God our Father and the guiding fellowship of the Holy Spirit be with you evermore. Amen.

BENEDICTION

The Father, Son, and Holy Ghost bless, preserve and keep you, in your work, in your worship, this day and always, through Jesus Christ our Lord. Amen.

2. Recruit new members.
3. Sponsor the organization of new branches.
4. Strive for mutual strengthening of Negro and white branches by closer cooperation in the work of the Woman's Auxiliary.
5. Work for greater understanding between races, classes and creeds.

ANALYSIS OF YEAR OF WOMAN'S AUXILIARY OF DIOCESE

1. Fiscal year of Diocese and branches runs Jan. 1 to Dec. 31 because it must coincide with National Council fiscal year.

2. Year of active study and action runs from 1st meeting in Fall (Sept.) to last meeting before Summer recess (June). Reason: It must conform to the plans and material sent out from National headquarters, and to the Diocesan Annual Meeting which must be held in the favorable weather of Spring.

3. Summer is preparation period for activities to follow—it is the inactive first part of a new year of study and action.

4. New officers should be elected at a branch meeting prior to Annual Diocesan Meeting. Reasons: (a) New officers are taken into consideration in the election of delegates to the Annual Meeting, (b) New officers' names can be given on report of the year's study and action for publishing in year book.

5. New officers should be installed at last meeting before Summer recess (June meeting). A few branches meet during Summer. Their officers should also be installed at end of June meeting.

6. Officers installed at June meeting spend Summer preparing for coming year of activity. Program of Christian Education should be prepared during this time.

7. New president presides at 1st Fall meeting (Sept.). For branches meeting during Summer she presides at July meeting.

8. Report blanks are sent out to branches in March Diocesan president's letter. Reports cover period from previous July 1st to May 1st (as late in year as possible and yet in time for publishing in year book). Reports are mailed back to District Chairman and Diocesan President in May. List of recently elected officers sent in on report then becomes correct in year book for longest period of year possible.

9. Year book is sent out in August, before if possible.

10. New treasurer is actually installed in middle of fiscal year, along with other officers, but this is much easier for her than taking office in January when she would immediately have to set up new pledges and budget.

11. Annual Diocesan Meeting is the middle of April. This conforms to date of Diocesan Convention of the Church, and to the Bishop's schedule. Year's reports are not available for Diocesan officers for Annual Meeting, but "reports" at this meeting could consist of plans for the future and a general picture of work.

WE PREPARE FOR THE NEXT THREE YEARS

We are now ending the 1946-49 Triennium with its humbling cry and great theme "Give us, Oh God, the strength to build the city."

From the programs of the several branches this year, we may conclude that there is a growing recognition of the need to understand and truly believe our Christian Faith and there is an urgency to practice that faith in building more Christian homes and an increasingly Christian world.

And now we look forward to a new Triennium of 1949-1952. With it will come a new theme. Will this theme direct us to talk about, study and do something quite different from this triennium? Of course not, for the task is surely not finished, the city is still a dream. If we have made a small beginning in our building we must go on and we must continue to pray for the strength to do so. We will note, therefor, that only the wording of themes will be different. Our task will be the same. The theme for Triennial Meeting this September and October in San Francisco will be, "Called Unto His Holy Fellowship."

This theme is an answer and a command. An answer to our cry of the past three years, Give us strength, a command to follow Christ if we expect to participate in building a Christian world. If we have been sincere in recognizing the need for a truly Christian world and have been groping toward its building and have learned that the strength to build comes from God then we are ready to receive this answer and command.

We who bear Christ's name are reminded that we are called, that is we are specially chosen for a purpose and it is our privilege and duty to answer and come unto His Holy fellowship, that is to learn to be close companions, knowing Him, loving Him, and following Him. If we answer the call and accept the privilege of His

leadership we will surely receive strength to build a good world, and through His Holy Fellowship we will be able to witness to Him in our homes, in our world and we will carry the news of His Holy Fellowship unto all nations.

This theme is taken from I Corinthians, 1, 9. We would all find it helpful to read again this Epistle, by way of putting our minds in tune to begin our preparation for the new triennium. We will see how appropriate it is to our times. We will note that Paul teaches us the primary necessity for Christians to think clearly concerning the confusions and conflicts of our times, facing these with a true understanding and a belief that the Christian revelation is the only answer to the problems we have to solve.

Paul points out that leaders and heroes always have followers in political, economic and social realms. Even the church is split into factions following various leaders. But Paul tells us that we must turn and listen to the call of Christ, the one true leader. All other leaders must be evaluated as servants to Him. If we are to build a Christian world we will have to come unto His Holy Fellowship.

During the summer and after General Convention and Triennial Meeting we will be notified of numerous tracts, pamphlets and books to use for our study and program planning. However we do not need to wait. Let us go on from where we are. We can fit in the new as it comes to us. The National Council Department of Christian Education is planning Parish study programs for 1949-1950. Two of these units will be on the Christian Family. The interdenominational Mission Studies for 1949-1950 are on 1. *Japan,* and 2. *Cooperation for a Christian Nation.* Let us keep informed by reading our church papers.

Let us remember that each woman has the responsibility of listening to and answering the call unto His Holy Fellowship. Woman's Auxiliary group programs and study classes should aid us but are not sufficient unto themselves. Personal and family prayer and Bible reading, personal study, thought and action will be the way the Christian world will come into reality.

The privilege of serving as Diocesan Secretary of Education ends for me at this meeting. These three years I shall always cherish. I have had the support and cooperation of all of you. Your vision of the need for Christian Education and interest in individual and group programs has been an inspiration.

I can assure our next secretary of education that she will find in this Diocese women who are ready to accept programs of study that will lead them to be better able to answer the Call Unto His Holy Fellowship.

CHRISTIAN SOCIAL RELATIONS

The Bible and the Church through the ages have proclaimed certain truths as a guide in man's relation to his fellowman. Our Church teaches us that when He was here upon earth, our Lord Jesus Christ, once and for all, gave certain fundamentals of faith which we must accept and practice if we are to be truly Christian. In the perfect prayer, our Lord prayed "Our Father." In using the word "our" he associated himself with all mankind, with the needy everywhere, of every race, color, and tongue.

Through Christian Social Relations we try to put into practice the brotherhood of man because we believe in the Fatherhood of God. A program of Christian Social Relations must be such that it will help individuals to seek and to find, and to express their Christianity through relationships with other individuals.

Any program of Christian Social relations must contain the three following divisions:

I. Worship.
   1. Frequent use of prayers for peace, for missions, for Christian service and social justice.
   2. Observance of special occasions such as Race Relations Sunday, Labor Sunday and World Order Sunday.
   3. Corporate communions of individuals interested in social relations work.
   4. Special emphasis on Christian Social Relations in devotional periods of the auxiliary.
   5. Prayers for use in family worship.

II. Study.
   An adequate study of social problems is imperative as a basis for our worship and action. An early conference with the secretary of Christian Education should be a means of incorporating social subjects into the educational program. The following topics are suggested:

1. Christian Marriage.
2. Christian Home and Family.
3. Displaced Persons.
4. Race Relations.
5. Labor and Employment.
6. Social Legislation.
7. The United Nations.
8. World Order.

The following Christian Social Relations packets may be obtained from the book store at 281 Fourth Ave., New York 10.

1. The Christian and Citizenship.
2. The Christian and the Community.
3. The Church and economic life.
4. The Church and Race Relations.
5. The Church and International Relations.
6. Social Relations in the Parish.

III. Action.

Action in any work undertaken as an individual or as a group to render Christian Service and to promote a better world for all people. It is very important that any social action is preceded by worship and study. Any branch may follow as many of the following suggestions as seem practical for the group.

1. Support the programs of the agencies and institutions of the Church and the community which offer health and welfare services through gifts and volunteer service.
2. Fulfil one's obligation as a citizen by careful voting, and by registering Christian opinion upon social legislation.
3. Strive for better cooperation between the Negro and white branches of the auxiliary.
4. Support the Southern Regional Council.
5. Make a determined effort toward resettlement of Displaced Persons in the community.
6. Send CARE packages. (50 Broad St., New York City 4.)
7. Send much good used clothing to Church World Service. (New Windsor, Md.)
8. Support Thompson Orphanage, St. Agnes Hospital and other schools and hospitals within the Diocese.
9. Support overseas missions.

Three booklets helpful to secretaries of Christian Social Relations are:

1. When You're Chairman for Social Relations. 10 cents.
2. First Steps in Christian Social Relations. 5 cents.
3. Tell us about Christian Social Relations. (New.) 5 cents.

These may be obtained from the Book Store, 281 Fourth Ave., New York City 10.

CORA GALER WALKER,
Secretary of Christian Social Relations.

YOUTH WORK

1. Place yourself on Youth Mailing List by sending $1.00 to Division of Youth, 281 Fourth Avenue, New York.
2. Subscribe to "Churchways," also from 281 Fourth Avenue, New York, for 25 cents a year. It contains a wealth of condensed information.

3. Read the North Carolina Churchman, particularly the pages devoted to Youth activities. You may get ideas there which will be helpful in your own work with the young people.
4. Make the young people feel that they have an important part to play in the life of the parish by giving them specific duties, some in cooperation with adults, and others for which they are solely responsible. For instance, let them
   (a) help with suppers at the parish house
   (b) help with every member canvass
   (c) collect clothing and food for any of the needy
   (d) collect, wrap, and mail articles for overseas relief
   There are many more you will think of.
5. See that they participate in the Majors of the year—Youth Sunday with its annual offering, Epiphany Feast of Lights, Nationwide Corporate Communion, and the World Relief Program with its motto "Do it Day by Day."
6. Reiterate the theme of the Youth Department—"To Know the Christ and to Make Him Known."
7. Report at every meeting of the Auxiliary something of interest concerning the work among the young people of the parish.
8. Foster interest in the youth conferences in the diocese, and see that your branch is represented by at least one young person at Vade Mecum or Camp Delaney.
9. Enlist the aid of the members of the Auxiliary in all the departments of youth work, from the Guild of the Christ Child, the Church School, Junior Choirs, Junior Altar Guilds, Acolytes Guild, etc., through the Young Peoples' Service Leagues. Help with the Scout Troops, or any other organizations sponsored by the parish. There are innumerable ways in which the women can be of invaluable aid and there are places which can be filled by our women only. Make them feel how necessary they are and what a grave responsibility and rare privilege is theirs in this all-important work of our church, namely, the developing of our Youth program and the bringing of our young people to Christianity.

MABEL S. LUCAS,
Chairman of Youth Work.

SUPPLY

The supply work of the Woman's Auxiliary is to provide certain material needs of our various missions and institutions, both at home and abroad. The needs come under the headings of clothing, household and institutional furnishings, surgical supplies and occasionally vestments and altar linens and other things of a material nature, for which the requesting mission has not sufficient funds.

Assignments are made to each diocese by the National Supply Department which has evaluated the needs and requests of the missionaries in charge. It is the responsibility, and privilege, of the women of the church to see that these needs are met. As members of the Auxiliary, we are given this satisfying and concrete way of carrying out Christ's bidding, "Go ye into all the world and preach the Gospel."

We were not given any assignment for Diocesan Missions in the period covered by this report but we were assigned two mis-

sions in Puerto Rico: St. Hilda's and St. Joseph's. To these missions, we have sent clothing for both adults and children, infants' layettes, household supplies and surgical materials. The latter are used in the dispensary operated for the peoples of the missions and the vicinity. Some of this clothing was made by branches in the diocese, who had volunteered to sew. The rest was purchased through the money contributed by your branches to the Supply Fund. Splendid boxes of used clothing were also shipped to them.

A letter has come from the Rev. E. Reus-Garcia, the Missionary in charge of these missions, expressing his gratitude and that of his people for what they have received, and making another request, which I now pass on to you. I ask for your help, and I quote from his letter, "If you know of any used and in good condition altar linen, purificators and choir surplices, we will greatly appreciate your helping us. We are in great need of these things which we cannot afford buying." If, in the branches, there are any of these items available, please send them to me and I shall gladly ship them to him.

Besides the work done in Puerto Rico, $75.00 was sent to the Supply Secretary's Gift Fund. This fund replaces the former gifts of personal clothing sent to missionaries and their families, widows of missionaries and to lay workers, such as interpreter and catechists in Alaska and South Dakota, who serve the church on a part-time basis. These gifts are now made by check, shortly before Christmas, and are accompanied by a letter explaining that they are made possible by the interest of the women of the Church.

To come closer home, the Thompson Orphanage was given $56.65 with which to buy bedspreads. Branches throughout the Diocese have also sent them boxes of clothing. The need for this is always great, for without your help in this way, the girls and boys there could not possibly look the way they do: a credit to Mr. and Mrs. Whisnant, the Episcopal Church and above all, to themselves!

Although St. Marys School for Indian Girls in South Dakota was not assigned to our Diocese this year, they made a direct appeal to us. Thorugh the generosity of a friend, we were able to answer this appeal, and sent them 100 yards of splendid material which was used to meet an urgent need for curtains and other things.

The branches who have done sewing for the Supply Department have made a great contribution to the work of the Auxiliary. There are others, who also volunteered to sew, who were not called on. That was because we expected to ask you to sew for missions in this Diocese, but that assignment did not come to us. However, we are confident that we shall be asked to work for our own Diocesan institutions and Missions this next year, and we are counting on you then.

It is not possible to tell you now to what missions we shall be asked to send supplies as that information does not come to us until early Fall. I shall get that assignment to you at the earliest possible date, and I look forward to working with you all and sharing with you the joy of doing God's work by helping our less fortunate fellow men.

1949-1950 is a new year of study and action in the Woman's Auxiliary and one of new opportunities for each one of us. Let us make the most of them and ask ourselves wherein we can strengthen and improve the work of our department.

1. Do we make a real effort to integrate it with that of the Educational Department?
2. Do we avail ourselves of the help that department can give us to inform ourselves and Auxiliary members about the missions and countries to which we are sending supplies?
3. Is each woman in each branch given an opportunity of knowing and understanding the needs of the institutions and missions of this Diocese, as well as of those overseas?
4. When, of necessity, changes have to be made in personnel of officers during the year, do we promptly notify our District Officers and in turn the Diocesan Officers, so as to save valuable time in getting material and information to the correct person and thereby eliminate the necessity for repeating the procedure?
5. Do we have a clear understanding of the distinction between the work of the Department of Christian Social Relations and that of the Supply Department?
6. Do we realize that the Thompson Orphanage depends greatly on our boxes of good "out-grown" and not "out-worn" clothing and that their need for coats, woolen articles, etc., is a pressing one?
7. Are we prompt in furnishing assignments and particular about sending in report forms?
8. Finally, do we make an honest effort to see that "the last woman in the last pew" is informed about the Supply Department and given an opportunity to share in its work?

SALLIES CAMERON LABOUISSE,
Secretary of Supply.

PERSONNEL

For many years the women of the church have been saying prayers and making offerings of money to the United Thank Offering; and for many years women have been offering their lives to the service of the church. It has been only comparatively recent that we have been stressing the latter contribution; that is, stressing it through the various dioceses by appointing a personnel representative on the Executive Board of the Diocese. North Carolina appointed its first personnel representative less than five years ago. Within that time much stimulation has been given and growth shown in this branch of the church's program. However, at the present time there is dire need for professional workers at home and abroad.

The fields of service are wide and varied. They are Missionary Directors of Religious Education, College Workers, Teachers, Preachers, Rural Workers, Doctors, Nurses, Secretaries, and Directors of Education in Parish, and other Specialists. Professional church training is given at the following schools: Windom House, New York, St. Margaret's House, Berkeley, California, Divinity School in Philadelphia, and Bishop Payne Divinity School, Petersburg, Virginia.

All of us must develop a consciousness of the needs of the church for trained professional workers, and we should keep watchful eyes on gifted young people in our communities who are potential recruits. We should be alert to present to them in personal conversation the opportunities for service to the Master in vocations in the church.

The needs are constantly listed in church papers. "Church Ways" carries a monthly list of vacancies in the mission fields which should be given publicity in our auxiliary meetings and in meetings of our young people's organizations. The schools for special training, and the available help of *scholarships* should be made known.

To develop interest in, and knowledge of personnel work in the dioceses, the following suggestions are offered to the Woman's Auxiliary, to the young people, and to the college workers:

1) Woman's Auxiliary
   a. Have a program on: "Vocations in the Church for Women."
   b. Have a professional worker in this diocese speak on her work.
   c. Present to the parish, or to the young people, or to the men of the church a play, a movie, or a speaker on "Professional Vocations in the Church."
   d. Panel—Clergyman, Director of Religious Education, Teacher and Youth Worker.
   e. Request the rector of the parish to preach on "The Vocation of Laymen and Women."

2) Young People
   a. Have a play on "Vocations in the Church," or on "A Mission Field of the Church."
   b. Panel on: "Vocations in the Church."
   c. Debate: "Are Church Workers Necessary?"

3) College Worker
   a. See that "Vocations" and "The Fields of Service" are presented.
   b. Entertain the college students in your home, by invitation on a Sunday when a Missionary preacher is in the pulpit.
   c. Send at least one student to Vocational Conference.
   d. Courses in Religion should be required in Church Schools and Colleges.

With the will of God, and your help this part of the church's program will go forward.

BELLE DAVIS CHEATHAM,
Diocesan Chairman Personnel.

CHURCH PERIODICAL CLUB

The Church Periodical Club represents a unique, essentially vital but much neglected section of missionary endeavor. Let us think of it in terms of a crusade against spiritual illiteracy. Particularly at this time there is need for the contributions which the C.P.C. work can make to the missionary program of the Church.

During the recent war whole libraries of schools and seminaries in the mission field were destroyed. Funds have been raised for

the restoration of seminary libraries in Japan and the Philippines, but the financial goals have by no means been reached. A gift from the budget of your branch or from individual members will help in this important task.

Our own periodicals that we consider of real value may be sent on as quickly as we have read them to some person in the mission field. Our missionaries in lonely fields of service need the spiritual stimulation of reading the same things that we at home read for strength and growth. Christian books of study, devotion, biography and entertainment, and subscriptions to periodicals, secular and religious—these can be sent to a mission worker, a priest or a Bishop in the mission field as evidence of our continuous concern for them and the work they are doing. Gifts of books and periodicals printed in Braille may be made by your branch or by individuals. A memorial book sent to a mission field, instead of flowers sent to a funeral, is most fitting.

The National Office is always glad to send you the names of those to whom these gifts may be sent. They will also send you a Manual, price 25c, and a pamphlet, "Share With Them," which will be guides for doing the work in your Auxiliary in the future. The address is:

All gifts of money should be sent to the Woman's Auxiliary Diocesan Treasurer, marked "Special—Church Periodical Club."

The responsibility for seeing that C.P.C. work is done by the Auxiliary branch as a whole should be assigned to some one member. If your branch cannot have a C.P.C. Secretary, then some other officer who is interested and whose other duties are related to this work should be given the responsibility. She can then report to the branch on the places and people who need and receive your gifts. The whole plan then becomes a part of our Christian Education on the mission of the Church to the World.

PRESIDENT'S MESSAGE

65th ANNUAL MEETING — WOMAN'S AUXILIARY
Christ Church, Charlotte, April 27, 1949

The choice of the prayer, Bring The Nations Into Thy Fold, as the Theme for our 67th Annual Meeting is a recognition of the fact that the ecumenical movement in every area of life is the important trend of thought in the world to-day. May this prayer for the Mission of the Church have as its foundation in our hearts the spirit embodied in the 117th Psalm:

Praise the Lord, all ye nations; praise him all ye peoples. For his merciful kindness is ever more and more toward us; and the truth of the Lord endureth forever. Praise the Lord.

We look at our children and grandchildren and venture fearfully to imagine the problems that they as adults must face as an inheritance from us. If we cannot dwell on these thoughts, let us do with zeal our immediate tasks as they are presented to us as christian citizens; but more important than doing things is the urgency to be faithful and devoted soldiers and servants of Christ in this our time and place. We look unto Him as the Saviour of the World.

In this year of study and action drawing to a close we have had as a special Objective listed in the Year Book the formation of new branches or new groups of established branches. One strong new branch, St. Anne's of St. Mary's, High Point, has been welcomed into our Diocesan Woman's Auxiliary family while one rural branch at Grace Church, Lawrence, has been disbanded. It is more encouraging to look at the growth in total membership in the Diocese. This has grown from 3,466 in 1948 to 3,851 in 1949, an increase of over 10%. Diocesan officers see many evidences of the interest of women in the branches in the whole work of the Auxiliary, Diocesan and National.

Particularly are we conscious of growing strength in the Negro District during the past three years. Their most capable leaders show a comprehension of Auxiliary work and their responsibility and relationship to the whole Auxiliary that forecasts strength for the future. By a ruling of the 1946 Triennial Meeting the Diocese of North Carolina is privileged to have an additional delegate from the Negro branches to join with five other delegates in representing our diocese at the Triennial Meeting in San Francisco. If our Diocesan Auxiliary is strong, we must remember that this is only one aspect of the strength of the Church in the

Diocese of North Carolina. Still we have only touched the surface of our potentialities. We take stock of our advances in humility of heart, recognizing in them the fact that God is thus calling us to share in His plans for the extension of His Kingdom.

From an over-all viewpoint it would seem that we place an overemphasis in our branches on earning money and an insufficient emphasis on the joy and sacramental significance of simple, quiet giving of our money. It remains for each branch to decide for itself whether or not this is true in its own life. There is a wholesome balance to be attained; and if you feel that you need to work nearer to an ideal for your finances, one method would be to emphasize Christian Education in giving in your programs. It is a constant task to keep before us the fact that our money is given as a means of glorifying God and thanking him for His mercy and is used to build churches and hospitals, to maintain schools, to pay salaries of men and women who give their whole lives to the work of the Church.

The appreciative letters received concerning the Quiet Day of Prayer and Meditation last Advent in the nine districts point to the wisdom of observing this Diocesan wide day again next year. A Quiet Day of Prayer and Meditation should have a prior claim to a date on our calendars that is suitable to the purpose of prayer, penance and meditation. We still may not have large crowds for this observance; but the genuine appreciation of those who had a part in the devotions this year indicates that they will bring others to share this spiritual feast in the future. We are most grateful to the clergy of the Diocese for their encouraging interest in this effort, particularly to those who were our leaders in the devotions.

We are now ending the period between Triennial Meetings of the Woman's Auxiliary. Your delegates will go to the meeting in San Francisco next September where they will share in the worship, thinking and discussion of representatives of the Woman's Auxiliary from all races and many countries. They must be conscious at all times of the mind of the women at home whom they represent; they must feel your deep concern in the events of that meeting. With new plans evolved there, with new Diocesan officers, there will be different emphases and fresh, invigorating viewpoints for these next three years. We must be quick to support these new officers, quick to seize new opportunities, use new and wise strategy in our work, and alert to catch broader visions of God's will for us as members of His Church.

MARION ALSTON BOURNE

RESOLUTIONS ADOPTED AT THE WOMAN'S AUXILIARY ANNUAL MEETING

Christ Church, Charlotte, April 27-28

I. *Whereas,* The Women of the Church, in Triennial assembled, laid stress on the need for silence in the Church's services, particularly before and after the Holy Communion, and

Whereas, We should remember the admonition, "The Lord is in His Holy Temple, Let all the earth keep silence before Him"; therefore,

Be It Resolved, That the Woman's Auxiliary to the National Council of the Protestant Episcopal Church in the Diocese of North Carolina will by personal example and the cooperation of their parishes forward the practice of silence and reverence in our churches; and

Be It Further Resolved, That we request this resolution be printed in the bulletin of each parish.

II. *Whereas,* The Woman's Auxiliary to the National Council of the Protestant Episcopal Church is primarily evangelistic in purpose and offers an avenue to membership in the Church; therefore,

Be It Resolved, That we, as members of the Woman's Auxiliary to the National Council of the Protestant Episcopal

Church in the Diocese of North Carolina, seek out women not interested in any church with the hope that membership in the Woman's Auxiliary may bring them into the Church.

III. *Whereas,* Racial and religious prejudice constitutes a menace to our National Unity, and is in direct violation of our Lord's command; therefore,

Be It Resolved, That we, the Woman's Auxiliary to the National Council of the Protestant Episcopal Church in the Diocese of North Carolina, shall endeavor to combat this menace by avoiding any thought, word or deed which might contribute to the fostering of intolerance.

IV. *Whereas,* The education of our children in our churches is of utmost importance to us; and
Whereas, the new program of work designated to be done by the National Council under Dr. John Huess is in dire need of funds; therefore,

Be It Resolved, That the Woman's Auxiliary to the National Council of the Protestant Episcopal Church in the Diocese of North Carolina goes on record as considering this new program to be of primary importance so that our delegates may bear this in mind when attending the Triennial Meeting.

MISSIONARY CORRESPONDENT

The office of Missionary Correspondent is interesting and broadening to the person who has the privilege of being in contact with the Missionaries affiliated with our Diocese. Three years of association by letter with the District and Branch Secretaries is inspiring when we feel that by working together we have brightened the lives of our faithful workers even a little bit.

Nearly every branch now has an active correspondent. My recommendation is to continue the writing of letters and cards on birthdays and special days as Christmas, Easter, Thanksgiving. Send gifts when possible and above all pray for our Missionaries. When answers are received, take time to read the letters at your monthly meetings.

The Missionaries themselves have voiced their satisfaction in what has been done. The local branches seem to be more missionary conscious and the National office has expressed gratification at the interest this Diocese manifests in its missionaires. Results have shown that the methods used have been effective. A new "Calendar for Missions" should be ordered and used by all correspondents.

NELLIE PILKINGTON JOHNSON,
Missionary Correspondent.

N. C. STATE LEGISLATIVE COUNCIL

The State Capitol building still hums with the busy typewriters of the clerks and stenographers, compiling and putting in order the work of the 1949 Legislature. For awhile all of us thought there might not be a report from your Legislative representative, but adjournment came and though the ink isn't dry on any of these bills, I will be able to tell you how each of the 5 points in the program succeeded.

POINT 1.
Provide an effective system, with adequate financial support, for improving the enforcement of the compulsory school attendance law.
A machinery bill was passed which gives the counties funds for additional personnel, one of which *could* be a truant officer.

POINT 2.
Provide for minimum wage and maximum hour standards for women and minors.
This "point" has been a part of the program for several years and this is the first time it has ever come out of committee. It was killed as a bill on the floor but it did reach the Assembly.

POINT 3.
Provide for state participation in general assistance for persons between 18 and 65 years of age in need of financial assistance.
This passed.

POINT 4.
Provide through the School Health Coordinating Service for complete physical examinations for all school children at reasonable intervals with a definite plan of referrals for necessary follow-up treatment.
This bill passed and the method of enforcement is being worked out between the Board of Education and the Board of Health.

POINT 5.
Provide for strengthening the requirements and safeguarding the divorce laws, (this part passed), and in divorce proceedings involving children a definite plan for the care and custody of any child under 18 years of age must be presented to the judge hearing the case.
This failed to pass.
Yes, the Legislature for 1949 is over but already the State Legislative Council Steering Committee has started work on issues that need attention in the state. These proposals are being studied by trained groups and will be presented to the Steering Committee at its next meeting with their study. These may or may not make the program for 1951 but the State Legislative Council does not adjourn.

KATHERINE DUFF POWELL,
Rep. on N. C. State Legislative Council.

DIOCESAN FIELD WORK

The principal merit of any report made of work to be done, especially with its chief aim to further the "Extension of God's Kingdom" among men, is shown in the sincerity of the participants. To this end we would commend our co-workers in the field of service in which we are engaged for definite signs of increased interest and an earnest seeking, among many, for greater knowledge to carry on.

1st. We would surge on with more earnest prayers—greater endeavors and higher hopes to reach a worthwhile goal.

2nd. We would build more firmly on the movements already proven worthwhile in our efforts to help "Build the City of God."

3rd. We would strive for a far more reaching "break" into the hearts and lives for God, of all with whom we come in contact.

I. Activities:

1. During the year we have seen definite signs of more growth in becoming conscious of our sacred trust as members of this great organization, The Woman's Auxiliary to the National Council.
2. We have and will continue to emphasize the objectives of the organization.
   a. "Growth in the realm of the spirit."
   b. An understanding (more fully) of the work through systematic, intelligent study of the whole program of the Church.
   c. A greater knowledge of the world in which we live, its needs and possibilities.
   d. Above all, a greater knowledge of what our great church has to offer that will make of the world A Christian Community.

II. 1. Of the 18 stations listed, the Field Worker has visited 16, with a second visit to all but 2 places (Visits each running from 2 days to a week).
2. Norlina, which we thought lost to us, was visited and interest renewed. Monroe was at last reached.
3. Three interesting, spiritual "Woman's Day" programs were held—two fostered by Field Worker.
4. Through combined interest of Bishop Penick and St. Augustine's Chaplain, the Field Worker appeared as guest speaker at a Pre-Lenten service in St. Augustine's Vesper Service. By special invitation and permission, one visit on "Woman's Day Program" in St. James Church, Portsmouth, Virginia.

III. Made tour of District in special meetings and slide showings .on "Fellowship.".
Attended two planning conferences and one Department of Religious Education meeting.
Plan to attend conference.
Plan to attend Camp and study at "Windham House" this summer.

Records:

1. Our financial record will show greater participation in support of Diocesan Budget.
2. A number of smaller branches in pledge classification.
3. Supply quotas larger.
4. United Thank Offerings run into hundreds of dollars.
5. Some few branches made "Special Gifts."
6. More Youth Groups working. Warrenton has a group of 40-odd.
7. Stressing conference and camp attendance. More care and support of our church schools and church homes. Earnest prayer and work for consecrated leadership.

Through Christian Fellowship we shall urge and continue to join the "Evangelism of all peoples" into one fold so that God's Peace can come to a needy world.

CONSTANCE S. YOUNG,
Field Worker.

FOREWORD

It is with a sense of grateful pride that I commend this Year Book to the members of the Woman's Auxiliary. Here is a modest story of a splendid achievement. The account is so restrained that the remarkable record of a year's work well done is not immediately apparent. I intend to keep this little book near me for ready reference and also for inspiration. It is packed with complete and accurate information that is really indispensable for an intelligent understanding of the program and activities of the Auxiliary. And when these reports are put together in this convenient form and then read with the care that their importance deserves, one becomes aware of a deep spirit of earnestness that pervades them all. This underlying seriousness of purpose is like the golden thread that is woven into the cords and ropes of the British Navy. It reflects the high calling of loyal women who are ambitious for the Church to go "Forward into his Holy Fellowship." Read this little book for the value of its facts. Read it for the vision of the Church at work that it unfolds. Read it for the witness to the Spirit of Christ that it reveals.

PRAYERS

THE WOMAN'S AUXILIARY PRAYERS

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Savior and their King: through the same Jesus Christ our Lord. Amen.

Almighty God, whose love reacheth unto the world's end, and who didst send Thy blessed Son to redeem all mankind: Help us, we pray Thee, so to reveal Thy love in prayer and work and stewardship, that by Thy spirit all nations and peoples may be baptized into one body, even as all are redeemed by one Savior; through Jesus Christ our Lord. Amen.

PRAYER FOR MISSIONS

Almighty God, help us, we pray Thee, to shed abroad the light of Thy Church in all the world. Give us greater zeal for Thy kingdom, that we may offer abundantly our prayers, our work, and our gifts; so that the earth may be filled with the knowledge of Thy glory, as the waters cover the sea; through Thy Son, Jesus Christ our Lord. Amen.

FOR GUIDANCE OF THE HOLY SPIRIT

O God, forasmuch as without Thee we are not able to please Thee, mercifully grant that Thy Holy Spirit may in all things direct and rule our hearts; through Jesus Christ our Lord. Amen.

PRAYER FOR CHRISTIAN SOCIAL RELATIONS

Jesus, our Master and our friend, who claimest our service through the needs of our neighbors; Grant us so to see thy image in all our fellow creatures that in serving mankind we may minister to Thee, the living Savior of the world. Grant to each one of us, that we may do our part in bringing about an order of society where there is no just cause for discontent or bitterness of spirit, and where every person may be enabled to come to the fullness of perfection for which he was made, through Jesus Christ our Lord. Amen.

FOR THE UNITED THANK OFFERING

O Lord, Our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special care for every need. Guard and guide the workers in the field, and draw us into closer friendship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy kingdom through Jesus Christ our Lord. Amen.

Accept, O Father, this joyful sacrifice of thanksgiving and praise, and bless these gifts to the setting forward of thy kingdom; that as we have gratefully received the benefits thy bounty has bestowed, so we may cheerfully share them with thy children in all the world; for his sake whose life and death and rising to life again were a song of praise to thee, O thou Most Holy, our Savior Jesus Christ. Amen.

FOR CHRISTIAN EDUCATION

O God, who has sent Thy beloved Son to be unto us the Way, the Truth and the Life, grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of Thy Son, Jesus Christ our Lord. Amen.

THE PRAYER FOR THE SUPPLY WORK

Almighty God, who has taught us by Thy Son, Jesus Christ, that it is more blessed to give than it is to receive, look with favor. we beseech Thee, upon the supply work of Thy Church, especially in this Diocese. Touch our hearts with compassion for the poor, the sick and homeless, and make us strong to lift their burdens with our ready gifts and service; through Jesus Christ, our Lord. Amen.

PRAYER FOR THE THOMPSON ORPHANAGE

Almighty God, who are the Father of the fatherless, send Thy blessings upon the Thompson Orphanage, instituted in Thy name. Give patience and wisdom to the officers, teachers and matrons of this home, that they may faithfully discharge the duties committed to their charge. Let the boys and girls grow in grace and earnestness, day by day. Strengthen their bodies, enlighten their minds, purify their hearts and sanctify their wills. Bless all who have contributed to this institution, and raise up, we pray Thee, a never-failing succession of benefactors whose names may be perpetuated through all generations, as a blessed memory, and their good deeds be accepted; through Jesus Christ our Lord. Amen.

FOR THE EVERY MEMBER CANVAS

God our Father, who providest for Thy children in advance of their needs, bless we pray the work of our Every Member Canvass, and grant us all to share in it with glad and willing hearts for the sake of Thy Kingdom, through Jesus Christ our Lord. Amen.

FOR DIOCESAN MISSIONARIES

O Lord and Heavenly Father, without whom we can do no good thing, but with whose help even Thy little ones go forth as the mighty, we beseech Thee to prosper the work of all Thy missionaries, wherever they may be, (and especially the work of Thy servant ——————). Grant them the wisdom to know and the strength to do Thy holy will, and bless them with the hope and consolation of Thy heavenly promises, for the sake of the Son, Our Savior, Jesus Christ. Amen.

FOR VOLUNTEERS

Our Father, if it be Thy will, put it into the heart of some young man or woman of this parish to work for the advancement of Thy Kingdom in some foreign land. Inspire us, we pray Thee, with such love and faith that we may be willing to go unto the uttermost parts of the earth in answer to Thy call. This, and all things which are for Thy glory, we ask for Christ's sake. Amen.

NOONDAY PRAYERS

Blessed Savior, who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look unto Thee and be saved. Amen.

Blessed Lord, inspire our hearts and the hearts of all men everywhere with the love of God and of our fellowmen, that we may be worthy of world peace. This we pray in Jesus' name. Amen.

FOR USE BEFORE AND AT THE TIME OF THE ELECTION OF OFFICERS

O Holy Spirit, Whose guidance and inspiration alone can enable us to fulfill the Will of God, teach us, we pray Thee, the dignity of our missionary work, and give us grace to choose as our leaders those whom Thou dost call to Thy faithful service. To those so chosen give a spirit of reverence in the exercise of their office, and to all of us a deep sense of our obligation in the discharge of every duty, to do all the glory of God through Jesus Christ our Lord. Amen.

BENEDICTION

May the blessings of God Almighty, the Father, the Son, and the Holy Spirit, rest upon us and upon all work and worship done in His name. May He give us light to guide us, courage to support us, and love to unite us, now and forevermore. Amen.

SERVICE OF INSTALLATION OF OFFICERS FOR THE WOMAN'S AUXILIARY

Let those who have been elected stand before the Bishop and then let him say:

It is right and fitting that those who have been duly elected as Diocesan Officers of the Woman's Auxiliary should be formally received and admitted into their respective offices in your presence, and that we should ask the blessing of God upon them for their support and guidance in the performance of the duties which you have laid upon them.

O Lord, save these Thy servants.
Who put their trust in Thee.
Send them help from the holy place,
And evermore mightily defend them,
O Lord, hear our prayer.
And let our cry come unto Thee.
Let us pray.

Our Father . . .
Direct us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life: Through Jesus Christ our Lord. Amen.

Almighty God, the giver of all good gifts; give Thy Grace, we humbly beseech Thee, to these Thy servants who have been chosen to serve Thee in the spcial work for which they have been selected; grant unto them zeal and earnestness in the performance of their office; wisdom and strength to meet each day their task; and love in the doing of it; and give them the vision to see their opportunities for service, to the glory of Thy great name and the benefit of Thy Holy Church! Through Jesus Christ our Lord. Amen.

Bless us, O God, with the vision of Thy Being and Thy Beauty, that in the strength of it we may work without haste and without rest; Through Jesus Christ our Lord.
I receive and admit you to the office of..... Be faithful, zealous, sincere and humble in all your tasks, and may the Grace of the Lord Jesus Christ and the love of God our Father and the guiding fellowship of the Holy Spirit be with you evermore. Amen.

BENEDICTION

The Father, Son, and Holy Ghost bless, preserve and keep you, in your work, in your worship, this day and always, through Jesus Christ our Lord. Amen.

ANALYSIS OF YEAR OF WOMAN'S AUXILIARY OF DIOCESE

1. Fiscal year of Diocese and branches runs Jan. 1. to Dec. 31 because it must coincide with National Council fiscal year.
2. Year of active study and action runs from 1st meeting in Fall (Sept.) to last meeting before Summer recess (June). Reason: It must conform to the plans and material sent out from National headquarters, and to the Diocesan Annual Meeting which must be held in the favorable weather of Spring.
3. Summer is preparation period for activities to follow—it is the inactive first part of a new year of study and action.
4. New officers should be elected at a branch meeting prior to Annual Diocesan Meeting. Reasons: (a) New officers are taken into consideration in the election of delegates to the Annual Meeting, (b) New officers' names can be given on report of the year's study and action for publishing in year book.

5. New officers should be installed at last meeting before Summer recess (June meeting). A few branches meet during Summer. Their officers should also be installed at end of June meeting. New treasurer is actually installed in middle of fiscal year (see item 1 above) but this is much easier for her than taking office in January when she would immediately have to set up new pledges and budget.
6. Officers installed at June meeting spend Summer preparing for coming year of activity. Program of Christian Education should be prepared during this time.
7. New president presides at 1st Fall meeting (Sept). For branches meeting during Summer she presides at July meeting.
8. Report blanks are sent out to branches in March Diocesan President's letter. Reports cover period from previous July 1st to May 1st (as late in year as possible and yet in time for publishing in year book). Reports are mailed back to District Chairmen by April 25th. Lists of recently elected officers sent in on report then becomes correct in year book for longest period of year possible.
9. Year book is sent out in August, before if possible.
10. Annual Diocesan Meeting is the middle of April. This conforms to date of Diocesan Convention of the Church, and to the Bishop's schedule. Year's reports are not available for Diocesan officers for Annual Meeting, but "reports" at this meeting could consist of plans for the future and a general picture of work.

ANNUAL MEETING
REPORTS AND PLANS

PRESIDENT'S MESSAGE

68TH ANNUAL MEETING—WOMAN'S AUXILIARY
St. Mary's Church, High Point, April 19, 1950

As your president, I welcome you to the 68th annual meeting of the Woman's Auxiliary of the Diocese of North Carolina. It is a pleasure to see so many of you here and it is my earnest prayer that the two days ahead of us will prove of great value to us all.

Since our last meeting in Charlotte, six delegates, elected there, have attended the Triennial meeting of the Woman's Auxiliary in San Francisco where we were enabled to catch a world vision of our great Church and her work at home and abroad. The theme of that meeting was "Called Unto His Holy Fellowship." That theme we have adopted for our meeting here in High Point with particular emphasis on the word "Called."

We are called to worship, called to study, called to service, called to be good stewards and called unto His Holy Fellowship.

As the program unfolds before us, I trust that the application of this theme will be the resolve of each individual present, and that we will take home with us to our respective branches a deeper and wider meaning of these words.

There has been growth in our organization during the last year—growth materially and spiritually. But there has not been nearly enough. Our efforts must be increased. We could and should do very much more.

There are now 108 branches with a total membership of approximately 4,050. The newest branch is that of St. Mary's, Yanceyville, organized last summer. The budget was raised another $500.00 for 1950 and, as your treasurer will tell you later, we have a surplus of over $2,000.00 from the fiscal year of 1949. I never thought particularly of the personal, practical uses to which this money is put until I began to receive letters of thanks from the recipients. They have given me an insight into the worth of our efforts which is surprising and gratifying, and far surpassed my expectation. If each of you could read the letters, you would realize how greatly needed and appreciated are these funds, and you would rejoice that this money, contributed by you through your branches, is being used to further God's Kingdom on this earth and to bring others into the Fellowship.

An indication of the wide-spread interests of our women was evidenced at the fall district meetings when each district designated the offering for a different purpose—all worthy, may I add?

And, I have been assured by those who know, that the Woman's Auxiliary can rightfully claim a little credit for the success of the Church's every member canvass with its increased budget, a result of our studies of Stewardship in all our branches.

Spiritual growth has manifested itself in the fact that several branches began their year of study and action with a Quiet Day of Prayer in the parish. May I urge others to do likewise? There is an increased interest in study programs, and the observance of Lent has been more wide-spread and more genuine and sincere.

In 11 places in the diocese a Quiet Day of Prayer and Meditation was observed the first Friday in Advent. The attendance was disappointingly small. To those who did go, the benefits were incalculable. Please attend the next one—every one of you. Only by being present can you realize how helpful and inspirational this one day, given entirely to meditation and prayer, can be to you. May I quote one of the clergy who so generously gave of themselves to make this service possible?

"It is my sincere belief that unless the women of the Auxiliary learn how to pray and meditate, all the activities and programs will be of little or no value. As a Priest of the Church, I would like to put in a plea for increased emphasis on the spiritual life in the program of the Woman's Auxiliary. It seems to me we spend too much time on the fringes and not enough on the heart and center of the Christian Life. . .These Quiet Days are a step in the right direction, and I hope that next year many more will attend."

I think I need add nothing more to that eloquent plea for a deeper, inner spiritual life.

There seems to be a bottleneck in the flow of information which should reach every woman in the Auxiliary. I urge each of you branch presidents to attend assiduously to this most important duty of yours. "The last woman in the last pew" should know what is going on, and you, the branch presidents, can help immeasurably by seeing that the information contained in my letters is given to everyone, and that the pertinent content of the church publications, diocesan and national, is made known throughout your branch. We must know what we are doing, and why, before our real interest is aroused.

It has been my happy privilege to speak about the Triennial at all nine district meetings last fall, and to several branch meetings and to one men's club gathering. I have also attended two board meetings of the board of managers of Kanuga, and one meeting of the board of Thompson Orphanage. And, of course, there have been innumerable conferences with committees and individuals within the diocese. I must not forget the Woman's Auxiliary conference at Vade Mecum, nor the Adult Conference at Kanuga which were also pleasant and profitable additions to my official duties.

This message would not be complete without a recognition of the unfailing response and enthusiasm and invaluable aid I have received from my fellow officers during my first year in office and, indeed, from all the women with whom I have come in contact. Their cheerful willingness to undertake any task which is assigned to them and their splendid cooperation with me and with each other have been an inspiration to me.

Let us go forward together, let us listen more intently when we are called, and respond more readily, let us become members of the Holy Fellowship and, by so doing, let us lead others to our Lord and Master.

CHRISTIAN SOCIAL RELATIONS

The Episcopal Church has more than 250 institutions and agencies scattered throughout the United States which were established by church men and women who believed that concern for their neighbors was a necessary part of their worship of God.

The church is the only institution which can meet completely the challenge of the times. Christianity is a social religion. It is not a way of life for one man living alone, but for all men living together. It has a social nature as well as a spiritual one. We emphasize the eternal values of the fatherhood of God and the brotherhood of man, and in so doing, the earning of bread is reduced to its place as a means to a greater end, the end of serving God.

Interest in Christian Social Relations seems to be steadily mounting in our diocese. Splendid work has been done during the past year and we go forward with confidence to even greater participation in a program of worship, study, and service. All activity starts within the branch and it is within the power of every parish to serve its community better. There is danger that in our zeal to better conditions in our community, we may lose sight of opportunities in areas where people undergo suffering and privation that we will never know.

The following suggestions are given to branch secretaries of Christian Social Relations as a means of planning and carrying out an adequate program. The size of the branch will determine the number of projects to be attempted, but at least one effort should be made under each heading of worship, study, and service.

I. Worship.
   A. Corporate communion for the committee on C. S. R.
   B. Observance of special days.
      a. Christian Family.
      b. Labor.
      c. Race Relations.
   C. Prayer.
      a. For Community fund and Red Cross drives.
      b. For Social Justice.
      c. For World Order.
      d. For World Day of Prayer.
      e. For Christian Social Relations. (Use prayer in front of year book.

II. Study.
   A. Marriage and the Family.
   B. Religious Instruction in Public Schools.
   C. Interracial Relations.
   D. Social Legislation.
   E. The Resettlement of Displaced Persons.
   F. The United Nations and Human Rights.

III. Service.
   A. Assist the sick and needy in your community.
   B. Visit the aged and shut-ins.
   C. Support welfare agencies through gifts and volunteer service.

D. Help create interracial understanding.

E. Try and place at least one displaced family.

F. Support Thompson Orphanage and other schools and hospitals.

G. Send C. A. R. E. packages. (50 Broad St. New York City 4).

H. Send good used clothes to Church World Service, New Windsor, Md.

I. Support such special projects as may be presented in letters from your diocesan secretary. (Your interest and cooperation is desired for this part of the program.)

The following booklets will be found helpful in understanding and putting the program into action.

CORA GALER WALKER,
Secretary of Christian Social Relations.

SUPPLY

Undoubtedly there are some of you in this audience who are new in Auxiliary work and are not familiar with what is done by the Supply Department. There are others, I am sure, who may have it confused with the work of the Christian Social Relations Department. Therefore, I shall repeat some of what I said last year in an effort to define the work and the responsibilities of the Supply Department.

The Supply work of the Woman's Auxiliary is to provide for certain material needs of our various missions and institutions, both at home and abroad. These needs come under the headings of clothing, household and institutional furnishings, surgical supplies and occasionally vestments and altar linens for which the requesting mission has not sufficient funds.

In the past all assignments were made to each diocese by the National Supply Department which had evaluated the needs and the requests of the missionaries in charge. This year, however, our diocese, at the request of the National Supply Department has fallen into step with other progressive dioceses and has taken on the responsibility of filling the needs of our own diocesan institutions which heretofore have been assigned to other dioceses throughout the country. This has meant taking over virtually all of the linen needs of the two negro hospitals: St. Agnes, Raleigh, and the Good Samaritan, Charlotte. To them you have sent huge quantities of hospital garments, blankets, sheets, pillow cases, towels, layettes, etc. The administrators of the hospitals tell me that the articles sent them were so badly needed that in every instance they were put to immediate use without even reaching the shelves of the hospital supply closets where reserve quantities are kept.

In assuming the responsibility for our own institutions we did not feel that we would be following Christ's teachings if we failed to minister to those in need outside our dioceses as well. Therefore, we also accepted an assignment for an Indian mission at Sisseton, South Dakota. We have sent the Indians there all manner of wearing apparel, which was purchased in time to reach them for Christmas. The missionary in charge, The Rev. Earl Kneebone, was overjoyed and most appreciative of having this much needed clothing to distribute for Christmas.

Here in our diocese where the Thompson Orphanage is dear to our hearts it delights me to tell you that we were able to give Mr. Whisnant $200.00 with which to start a fund for the purchase of new beds for the entire orphanage. Those of you who were visitors at the orphanage after Mrs. Whisnant's tea during the annual meeting last year will recall those sunken old beds and will realize how vital is the need for new ones to replace them.

The Tuttle Community Center in Raleigh which does splendid settlement work among the negroes of that city as well as the Thompson Orphanage and Sisseton Indian Mission, all received boxes of excellent used clothing from the whole diocese. That clothing is of inestimable value in the work of these institutions and we should not lose sight of the importance of its being serviceable and in really good condition.

A check for $65.00 was sent to the Supply Secretary's Gift Fund. This fund replaces the former presents of personal clothing sent to missionaries and their families, to widows of missionaries and lay workers. These gifts are now made by check to the individual shortly before Christmas. They are accompanied by a letter explaining that they are made possible by the interest of the women of the Church.

This report is not so much an account of what the Supply Department Committee has done as it is a report of what *you* have done. Each District Supply Secretary and, through you, each Branch Supply Secretary has responded willingly to the requests made of you. This year our diocese has accomplished in round numbers fully three times as much as last year. We are growing up in the Supply work and I am filled with enthusiasm for the accomplishments of the year just ended.

Next year will require the same effort and cooperation if we are to continue to grow and carry on our responsibilities. Please remember this in planning your budgets and your work. Let us never forget that in this way we are given the joy and satisfaction of knowing that we are contributing to the comfort of those who are sick and to those who are in need of our help.

SALLY CAMERON LABOUISSE,
Secretary of Supply.

SUGGESTIONS FOR THE SUPPLY SECRETARIES

1. Make every effort to integrate your work with that of the Christian Education Department.

2. Avail yourselves of the help that department can give you and your Auxiliary members in learning about the missions and countries to which you may be sending supplies.

3. Make every effort to see that each member of each branch is given an opportunity of knowing and understanding the needs of the institutions and missions of this Diocese, as well as those in the foreign or domestic mission field.

4. When, of necessity, changes are made in personnel of officers during the year, promptly notify your District Secretary and in turn the Diocesan Secretary, so as to save valuable time in getting material and information to the correct person and thereby eliminate the necessity of repeating the procedure.

5. Strive for a better understanding of your members of the distinction between the work of the Department of Christian Social Relations and the Supply Department.

6. Always be prompt in furnishing assignments and particular about sending in report forms, using these according to the instructions given on each blank. The correct use of the report forms and the enclosure cards for each shipment to any institution or mission is of utmost importance to ensure credit being given to the branch making shipment.

REPORT OF THE UNITED THANK OFFERING

After three years as Custodian of the United Thank Offering, I give up my office with deepest regret. Each year has increased my sense of privilege in serving with the hundred and more branch and district custodians who have conscientiously and devotedly caused this Offering to grow in spiritual depth and financial increase.

The culmination and reward to me of three years of U. T. O. work was in being at the General Convention in San Francisco to present our Offering on the Golden Alms Basin and seeing and hearing the missionaries who are the recipients of our prayers and contributions. A panorama of the Church's work was spread before our eyes and the U. T. O. is a tremendous part of that splendid work.

One of the great addresses made at the Convention was by Bishop Stephen Neill who is assistant to the Bishop of Canterbury and a former missionary to India. He said, "Naturally, I am a fanatic on the subject of missionary work overseas. My ideal for the Church is that one communicant in every hundred should be a missionary in the non-Christian world, and that the other ninety-nine should be raising funds to support him. Perhaps such an ideal is too high for the ordinary Church to contemplate, so let us suppose that one in every five hundred should be set apart for missionary work. I am afraid that a budget on that basis, presented to the Presiding Bishop, would cause the poor man a violent heart attack." "But," he says, "I believe that it is you, the women of the Church, who must call the Church back to the spirit of high adventure. We who have been missionaries spend our time gnashing our teeth over the apparent trivialities of the Church in a time of crisis and peril with which we are faced today."

The triennial goal of $2,000,000 was reached and was a cause for great rejoicing. However, a statistician at the Convention figured out that if every woman in the Church gave the small sum of 1 cent a day, or $3.65 a year, we could place $5,000,000 on the Altar at the next Convention. Our own Diocesan contribution for the three years was $47,046.24 with a carry-over of about $1,100 from the Fall Ingathering. Our Spring Ingathering so far amounts to $8,407.87. The total for the year is $16,208.60. I recommend that because of the good nucleus of $1,100 carried over from the last triennium, we would have only five Ingatherings this next triennium, thereby eliminating a hurried Fall Ingathering the year of the Convention.

In this United Thank Offering there are countless sacrifices known only to God. We know what is done with the funds but we can never know how God uses the hidden acts of sacrifice and prayer that accompany them. Let us search our hearts and compare our own spirit of thankfulness with that of the poor leper woman in a Philippine mission who came to a United Thank Offering service with $25.00 saved from her meager government allowance and saying, "I wish to express my thankfulness to Christianity which has taught me to be patient, though I am blind and have no hands and feet." As we offer all our countless

tiny sacrifices to God, we ofier to Him ourselves in loving surrender, that our gifts may become fruitful in His service.

MYRTLE H. MCCOY,
U. T. O. Custodian.

To Whom It May Concern:

I, John H. Harward, have certified receipts of Mrs. Springs McCoy, Custodian for U. T. O., from the fall of 1949 through spring of 1950, with disbursements to Mr. Lindley M. Franklin, and have found receipts and disbursements to agree.

JOHN H. HARWARD, *Accountant.*

INTERRACIAL

For the past two years the Interracial Work in our diocese has been observed throughout the province of Sewanee in view of the fact that the services of Miss Constance Young as a full-time field worker for the Negro District have been engaged. This project was undertaken by the Auxiliary with the hope that every branch in the district would be strengthened and better organized through her efforts.

As chairman of this committee my particular interest has been to see that the district used Miss Young's services and to assist her in planning her visits throughout the diocese. It has also been my privilege to take part in the various conferences held for officer training and program planning under the capable leadership of the district chairman, Mrs. James Taylor.

Respectfully submitted.

CATHERINE M. THOMAS

DIOCESAN FIELD WORKER

It is a glorious privilege and a grave responsibility to share with the church in its work of Evangelism. Our first objective toward this end must be our own spiritual development which we believe may be strengthened through worship, prayer, study and Christian fellowship. Then to know our duties as Auxiliary members and leaders we should begin by making more constant use of our yearbook and through its study learn the year's plan of work, its objectives and the work and activities of each department, and the help you may gain by attendance upon annual and District meetings. Believing always that our youth is the future church, let us be alert to plan their part of evangelism carefully in Church School and Young People's Service League activities.

As our finances are an indication of growth in stewardship, we must study these records with this purpose in view and be especially earnest in constantly encouraging our parish churches to realize their diocesan obligations.

Our district accepted Camp Delaney as its project last fall. Many of our boys and girls have little chance for any kind of outings during the summer. Camp life gives them the opportunity to develop physically, mentally and spiritually. Let us urge some boys and girls from our parishes to attend and then do what we can to help them. To show our appreciation for what has been done for Camp Delaney and to make it a place of which we may be proud let us each do our share.

When we have put forth our best effort in all fields of service may we feel our Father's "well done" reward.

CONSTANCE S. YOUNG.

PERSONNEL

The purpose of the Personnel Department is to keep the laity informed as to the needs of the Church for trained professional workers. The fields of service are wide and varied; they are: Secretaries, College Workers, Directors of Religious Education in Parishes, Teachers, Nurses and Specialists. Professional Church training is available at the following schools:

Windham House, New York, N. Y.
St. Margaret's House, Berkley, California
Divinity School, Philadelphia, Pa.

There must be a continuous stream of consecrated youth, trained for leadership, if the Church is going to advance.

In order that this work may be more effectively accomplished, a resolution has been adopted providing for the appointment of a Secretary of Personnel in every branch of the Auxiliary.

To develop interest in and knowledge of personnel work the following suggestions are offered:

1. Woman's Auxiliary and Young People
   a. See that "Vocations" and "Fields of Service" are presented to the laity.
   b. Present a play, a movie, or a speaker on "Professional Vocations in the Church."
   c. Have a professional worker in this diocese speak on her work.
   d. Inform the young people of the available help of scholarships.
   e. Panel on "Vocations in the Church."

2. College Worker
   a. See that "Vocations" and "Fields of Service" are presented to the students.
   b. Send at least one student to a Vocational Conference.

Each member of the Woman's Auxiliary can, through prayer and service, help to overcome the shortage of Personnel which today cripples the on-going work of the Church.

BELLE DAVIS CHEATHAM,
Diocesan Personnel Chairman.

YOUTH WORK

As I look back over the past months, during which I have been your Secretary of Youth Work, I find myself confused by a variety of emotions. I am, simultaneously, elated about the marked success of the work in some parishes; hopeful, in others; and considerably concerned over the many who have difficulty in starting or carrying out the work. In reviewing reports from several Youth Work Secretaries several facts have become apparent. Some have reported that they have active and interested groups; others, that they cannot interest the children; others, that they have too few children with which to do any active work;—but always, somewhere in the report the cry is "We lack adult interest and leadership."

I realize that figures or statistics are tiresome, but I do want to call your attention to this fact. From the most accurate figures which are available to me, there are in this Diocese about 7,000 children, and around 4,000 members of the Woman's Auxiliary. Of course, not all of these 4,000 are active, but with few exceptions, all 7,000 of the children are. What a field for service, and an opportunity for us to put into practice that for which we pray in our Auxiliary prayer "work for the extension of Thy Kingdom". These children are looking to us for leadership, guidance, inspiration and example. Surely, from our 4,000 we can recruit capable, talented, and interested leaders for our Youth—and we are not limited to the women of the Church. We can use our influence to interest the men of the Church in leading Youth activities.

I want to urge each branch to try to send some of its young people to the Camps at Vade Mecum this year. At the camps the children are provided with the very best talent for the religious education. (Just imagine what private camps would have to charge if they were able to employ such people as the Revs. Tom Smythe, Moultrie Moore, and Miss Eleanor Snyder, to name just a very few of those who are associated with the camps.) Try to persuade your parish or individuals in it to provide scholarships to the camps, and in order for Camp Delaney to get the start it needs in interesting their boys and girls in attending, provide scholarships for the Negro Youth of your community to attend Camp Delaney, which I am happy to say has undergone extensive improvements. The donation of scholarships is a wonderful opportunity for those people who are interested in youth work, but who are unable, for different reasons, to take an active part in it.

We hear too much nowadays of the waywardness and "care-nothing" attitude of our Youth. Let me remind you that children, being human beings, do not change. It is our attitude toward them, our approach to their problems, and our emphasis on what the world considers important which have changed. It is our challenge and our duty to guide and direct them into wanting to fill their place in the Church, and in equipping them to assume their responsibilities as citizens in the world and in the Kingdom of God.

VIVIAN S. MCMILLAN,
Secretary of Youth Work.

CHURCH PERIODICAL CLUB

The Church Periodical Club is one of the co-operating agencies of the National Council and represents a vital but much neglected section of our Missionary endeavor. As a Diocese we have been active in sharing our magazines, Bibles, Prayer Books and Hymnals locally, but have not informed ourselves as to the full scope of this work. We are thus depriving ourselves of the privilege of contributing to a project which is making the tools of Christian teaching available to every one and to every institution.

The important project for this Triennial is 'The Books Fund'. We know that in order to maintain a high standard, Universities, Colleges and Hospitals must have the necessary technical books, text books and periodicals. Such books cannot be included in the regular appropriations to these institutions, so they turn to the C. P. C. to provide this much needed assistance. There are definite requests for certain books and periodicals in the C.P.C. files at National Headquarters. The National Office is always glad to send you the names of those to whom such gifts may be sent. They will also send you a Manual, price 25 cents, and a pamphlet 'Share With Them' which will be guides for doing this work in your Auxiliary. The address is:

The Church P. C. National Headquarters
120 E. 22nd St., New York City

Last year's reports show that this work is growing and that there is an awakening interest throughout the whole Church. Let us each one share in this Missionary program of the Church.

LILLIE HILL, *Diocesan Chairman,*
Church Periodical Club.

REPORT OF MISSIONARY CORRESPONDENT

In nearly every branch of the Auxiliary the missionary correspondents have been active and all Auxiliary members are alive to their missionary obligations.

An experiment was tried this year, namely, that of providing a monthly news bulletin to aid the branch correspondents. This served as a clearing house for letters from missionaries, and also as a medium for suggestions and reminders to the correspondents. These bulletins were likewise sent to the missionaries, who were thus informed of the work that other women and men are doing in the field, and made aware of the deep concern felt for them by the folks back home.

During the year, many kodak and other pictures were accumulated, and combined into a large scrap book. This book is dedicated to the President, Mrs. Edwin F. Lucas, and will be put in some place of easy access for future reference, as a pictorial history of one year's work in the mission field.

There is untold satisfaction in dealing with enthusiastic district chairmen, and branch leaders, and deeply appreciative missionaries. In a sense this department may be thought of as undergirding the whole Auxiliary, for it knits all the other departments into a definite unity of purpose; it puts into practice the theory of human fellowship; and draws us all nearer to the goal of that fellowship unto which we are so graciously called by Christ, himself, who said, "Ye have not chosen me, but I have chosen you."

JOSEPHINE A. OSBORNE,
Missionary Correspondent.

SUGGESTIONS FOR MISSIONARY CORRESPONDENTS

The study of the Year Book is a vital part of every guild officer's work, to learn the aims of the Auxiliary, and its plans for accomplishing them. The Missionary Correspondent's objective is to create deeper interest in missionary work. At the very first, select at least one missionary from our list, for special attention during the year. Then study about them, write to them, and pray for them. Have each member aid you, and do not do all the work by yourself. Perhaps the members have already waited a long time for such a chance.

PRAYERS: a, Offer prayers for missionaries at each meeting.
b, And in your own private devotions.
c, Remind the rector to have mission prayers at Corporate Communions.

As an aid, "The Calendar of Prayer for Missions", a 25 cent pamphlet from the Church Missions House, is indispensable. It covers the whole world, and is brought up-to-date each year, with details on the individual missionaries.

LETTERS: Have all members of the guild aid in writing often to your chosen missionary, or missionaries, sending greeting cards for birthdays, and festival occasions. Send gifts whenever possible. Sign without fail, if even just the name of the guild, for "the gift without the giver is bare".

READING: "An informed church is a strong church!" Keep this slogan before you. Read three or four Church papers regularly for information, and to provide material for short, lively programs at every meeting. See suggestions under "Christian Education" in this Book. Throw in as many filmstrips and projector slides as practicable.

N. C. STATE LEGISLATIVE COUNCIL

With State Legislation, you are either looking backward to what has been done and what has been left undone, or to a coming legislature to try again on the undones and add a few new ones to the list. The choice of what is most needed in the field of social legislation is large, but by years of experience it has been found by the North Carolina Legislative Council, that it is better to hammer hard on 5 or 6 points than to try to reform all fields at once. With two years between sessions, it is sometimes discouraging, but to Raleigh citizens it seems the flood of legislators is always with us.

The following items are carried over from 1949:

1. Provide an effective system, with adequate financial support, for improving the enforcement of the compulsory school attendance law.
2. Provide for minimum wage and maximum hour standards for women and minors.
3. Provide that in divorce proceedings involving children a definite plan for the care and custody of any child under 18 years of age must be included in the order of the judge hearing the case.

These are additional items proposed for 1951:

4. Abolish the fee system in lieu of salary for operation of jails and for enforcement of the criminal laws.
5. Increase the jurisdiction of the juvenile court as to include children 16 years of age.
6. Abolish the death penalty for arson and burglary.

I hope each branch secretary of Christian Education will again this year receive with her material a leaflet with these reasons for inclusion in this program. Please try to include them in your year's program.

Thank you for taking me as your representative on the Legislative Council for the past four and a half years. To work with all of you in this small capacity has been a privilege I shall never forget.

Thank you.
KATHERINE DUFF POWELL,
Rep. on N. C. State Legislative Council.

REPORT OF COMMITTEE ON COURTESY AND FINDINGS

The Courtesy and Findings Committee have the happy responsibility of expressing the thanks of this whole company to those who made this Sixty-eighth Annual Meeting the fine and inspiring occasion it has been:

To Mr. Smyth and the Vestry of St. Mary's Church for providing this singularly restful and beautiful setting; to the hostess Auxiliary and to all the laymen and laywomen whose careful thought and hard work made the wheels turn so easily; to Mrs. Wall and her helpers in the tremendous job of entertaining us; to the many friends of others churches of High Point whose cooperation and gracious hospitality is a living proof of church unity; to those who allowed us the privilege of inspecting the beautiful things at the Tomlinson Building; to the organist and choirmaster, Mr. Bergen, and his choir for the beautiful music; to the Altar Guild for the beautiful altar, our thanks.

To our president, who has added new proofs of her statue and wide capabilities to those things we of the branches have already learned about her during this year; and to our visiting speakers, the Rev. Mr. Lea, Mrs. Morson, Miss Query, Col. Rusch, and all others who came to inform and inspire us.

Another word of thanks must be added in the prophetic tense; thanks to the Bishop for his message to us; whose words never fail to send us "on our way rejoicing", and whose presence in our midst is a benediction.

If a theme or tenor were felt during these two days, it might be expressed by quotations from two of the speakers: "Know more and care more", and "Pray, and have patience."

Aware as we are of the disaster that threatens our world, we have here declared ourselves in need, as never before, of instruction, and are ready to receive it. We have learned much here that, as Auxiliary women we need to know. We now return home to our branches, to pray, to give and to serve joyfully, to the best of our ability, to the coming of His Kingdom.

SECTION IV

RESOLUTIONS ADOPTED AT THE WOMAN'S AUXILIARY ANNUAL MEETING

St. Mary's Church, High Point, April 19-20

I. *Whereas,* The Woman's Auxiliary to the National Council in the Diocese of North Carolina recognizes the extreme importance of cultivating the devotional life of the members,
Be It Resolved, that absolute silence before and after church services be observed. To this end, the practice of reading the hymns, proper psalms, epistle, and gospel, and the Form of Family Prayer is suggested as excellent preparation and the means of maintaining a reverent silence.
Be It Further Resolved that this resolution be inserted in the church bulletin of each parish from time to time.

II. *Whereas,* the peace of this world is dependent almost wholly on the spread of the Gospel throughout the world, and
Whereas, the responsibility of peace resides largely with us, as individual citizens of the world, and
Whereas, little progress will be made towards lasting world peace unless we as individuals will allow ourselves to be led and loved by God, now therefore,
Be It Resolved that each person in this assembly will return to her parish and to her home, with a new determination to assume the privilege of carrying on the Lord's program of love in every day life, and
Be It Further Resolved that we show the spirit of forgiveness in the common routines of life, that we refrain from criticism in thought or word of our church, our ministers, our fellow workers, and
Be It Further Resolved that we shall make every effort to love the unlovable, whoever they may be in our lives.

III. *Whereas,* the Quota of Displaced Persons accepted by the General Convention of our Church is 1,200 and the number assigned to the Diocese of North Carolina is twenty with the hope that it may be oversubscribed, therefore
Be It Resolved that the Woman's Auxiliary of the Diocese *urge* that all branches constitute themselves a group to place as many D. P.'s in their respective communities as possible.

IV. *Whereas* the Woman's Auxiliary to the National Council in the Diocese of North Carolina desires an informed and ever increasing membership; and whereas we recognize St. Mary's House, the Episcopal Student Center at the Woman's College of the University of North Carolina as a potential source of future interested and informed members of the Auxiliary; therefore
Be It Resolved that the Woman's Auxiliary to the National Council in the Diocese of North Carolina promote at St. Mary's House a program on the organization and the work of the Auxiliary; and

Be It Further Resolved that we of the Woman's Auxiliary to the National Council in the Diocese of North Carolina urge the several branches to acquaint the girls of their parishes with St. Mary's House, to write to the student worker concerning them, and in any other way show an interest in the group at St. Mary's House.

V. *Whereas* the National Council has given wholehearted approval to the establishment of an International Christian University in Japan,
Be It Resolved that the Woman's Auxiliary to the National Council in the Diocese of North Carolina commend this project to its members that they may be moved to contribute generously to this undertaking.

VI. *Whereas* it was brought to the attention of the Annual Meeting that an offering of one penny a day would increase the offering in a triennium from two million dollars to five million dollars, therefore
Be It Resolved that the women here assembled bring this fact to the attention of their United Thank Offering Custodians and urge its adoption in every parish.

VII. *Whereas* the cause of peace in the world is the most pressing problem of all people everywhere, therefore
Be It Resolved that every minister in the diocese be requested to have at least one prayer for peace every Sunday.

VIII. *Whereas* The Woman's Auxiliary should have a better understanding of Personnel work, and
Whereas each member should be given an opportunity to share in the responsibility and promotion of this work, therefore
Be It Resolved that Personnel be removed from the status of a special Committee and established as a Department of Personnel with the Diocesan Chairman thereby becoming a Secretary of Personnel, and with District and Parish each following the same procedure, to create a better means through which to carry out the work.

IX. *Whereas* we believe that a great many of the periodicals and books found on our newsstands are degrading to our citizenry, particularly to our youth
Be It Resolved that the Woman's Auxiliary to the National Council of the Protestant Episcopal Church in the Diocese of North Carolina, in convention assembled, request that the Legislative Committee study this problem with a view to taking whatever steps are necessary towards the control and distribution of such degrading periodicals and books in our State.

MRS. JAMES BECKWITH,
MRS. A. L. TAYLOR,
MRS. DON BLANTON,
MRS. JOHN BERRY,
MRS. JOHN T. RICHARDSON, *Chairman.*

FOREWORD

"Increase in us true religion." This petition was the theme of the 1951 Annual Meeting of the Woman's Auxiliary. Almost every speaker on the program echoed the substance of this prayer. In fact, the whole Convention, in all its words and deeds, was an uplifted intercession for the coming of God's Kingdom. This Hand Book has caught and preserved the deep missionary spirit of that wonderful gathering. I commend it to those who would be intelligently informed about the constantly expanding program of the Woman's Auxiliary, particularly in this Diocese. In addition to the factual information that it contains, the earnest reader can detect in its compact pages a spirit of devotion to Him who is the author of all "true religion" and the "increase" of the Christian Church. Here is a true record of what God has wrought by the hands of faithful women in parishes and missions and out-of-the-way places. Those who read this inspiring story may be sure of a reward.

EDWIN A. PENICK,
Bishop of North Carolina

PRAYERS

THE WOMAN'S AUXILIARY PRAYERS

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Savior and their King: through the same Jesus Christ our Lord. Amen.

Almighty God, whose love reacheth unto the world's end, and who didst send Thy blessed Son to redeem all mankind: Help us, we pray Thee, so to reveal Thy love in prayer and work and stewardship, that by Thy spirit all nations and peoples may be baptized into one body, even as all are redeemed by one Savior; through Jesus Christ our Lord. Amen.

PRAYER FOR MISSIONS

Almighty God, help us, we pray Thee, to shed abroad the light of Thy Church in all the world. Give us greater zeal for Thy kingdom, that we may offer abundantly our prayers, our work, and our gifts; so that the earth may be filled with the knowledge of Thy glory, as the waters cover the sea; through Thy Son, Jesus Christ our Lord. Amen.

FOR GUIDANCE OF THE HOLY SPIRIT

O God, forasmuch as without Thee we are not able to please Thee, mercifully grant that Thy Holy Spirit may in all things direct and rule our hearts; through Christ our Lord. Amen.

PRAYER FOR CHRISTIAN SOCIAL RELATIONS

Jesus, our Master and our friend, who claimest our service through the needs of our neighbors; Grant us so to see thy image in all our fellow creatures that in serving mankind we may minister to Thee, the living Savior of the world. Grant to each one of us, that we may do our part in bringing about an order of society where there is no just cause for discontent or bitterness of spirit, and where every person may be enabled to come to the fullness of perfection for which he was made, through Jesus Christ our Lord. Amen.

FOR THE UNITED THANK OFFERING

O Lord, Our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy kingdom through Jesus Christ our Lord. Amen.

Accept, O Father, this joyful sacrifice of thanksgiving and praise, and bless these gifts to the setting forward of thy kingdom; that as we have gratefully received the benefits thy bounty has bestowed, so we may cheerfully share them with thy children in all the world; for his sake whose life and death and rising to life again were a song of praise to thee, O thou Most Holy, our Savior Jesus Christ. Amen.

FOR CHRISTIAN EDUCATION

O God, who has sent Thy beloved Son to be unto us the Way, the Truth and the Life, grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of Thy Son, Jesus Christ our Lord. Amen.

THE PRAYER FOR THE SUPPLY WORK

Almighty God, who has taught us by Thy Son, Jesus Christ, that it is more blessed to give than it is to receive, look with favor, we beseech Thee, upon the supply work of Thy Church, especially in this Diocese. Touch our hearts with compassion for the poor, the sick and homeless, and make us strong to lift their burdens with our ready gifts and service; through Jesus Christ, our Lord. Amen.

PRAYER FOR THE THOMPSON ORPHANAGE

Almighty God, who are the Father of the fatherless, send Thy blessings upon the Thompson Orphanage, instituted in Thy name. Give patience and wisdom to the officers, teachers and matrons of this home, that they may faithfully discharge the duties committed to their charge. Let the boys and girls grow in grace and earnestness, day by day. Strengthen their bodies, enlighten their minds, purify their hearts and sanctify their wills. Bless all who have contributed to this institution, and raise up, we pray Thee, a never-failing succession of benefactors whose names may be perpetuated through all generations, as a blessed memory, and their good deeds be accepted; through Jesus Christ our Lord. Amen.

FOR THE EVERY MEMBER CANVAS

God our Father, who providest for Thy children in advance of their needs, bless we pray the work of our Every Member Canvass, and grant us all to share in it with glad and willing hearts for the sake of Thy Kingdom, through Jesus Christ our Lord. Amen.

FOR DIOCESAN MISSIONARIES

O Lord and Heavenly Father, without whom we can do no good thing, but with whose help even Thy little ones go forth as the mighty, we beseech Thee to prosper the work of all Thy missionaries, wherever they may be, (and especially the work of Thy servant ——————). Grant them the wisdom to know and the strength to do Thy will, and bless them with the hope and consolation of Thy heavenly promises, for the sake of the Son, Our Savior, Jesus Christ. Amen.

FOR VOLUNTEERS

Our Father, if it be Thy will, put it into the heart of some young man or woman of this parish to work for the advancement of Thy Kingdom in some foreign land. Inspire us, we pray Thee, with such love and faith that we may be willing to go into the uttermost parts of the earth in answer to Thy call. This, and all things which are for Thy glory, we ask for Christ's sake. Amen.

NOONDAY PRAYERS

Blessed Savior, who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look unto Thee and be saved. Amen.

Blessed Lord, inspire our hearts and the hearts of all men everywhere with the love of God and of our fellowmen, that we may be worthy of world peace. This we pray in Jesus' name. Amen.

FOR WORLD PEACE

Almighty God, from whom all thoughts of truth and peace proceed; kindle, we pray thee, in the hearts of all men the true love of peace, and guide with thy strong and peaceful wisdom those who take counsel for the nations of the earth, that in tranquillity Thy Kingdom may go forward, till the earth shall be filled with the knowledge of thy love; through Jesus Christ our Lord. Amen.

FOR USE BEFORE AND AT THE TIME OF THE ELECTION OF OFFICERS

O Holy Spirit, Whose guidance and inspiration alone can enable us to fulfill the Will of God, teach us, we pray Thee, the dignity of our missionary work, and give us grace to choose as our leaders those whom Thou dost call to Thy faithful service. To those so chosen give a spirit of reverence in the exercise of their office, and to all of us a deep sense of our obligation in the discharge of every duty, to do all the glory of God through Jesus Christ our Lord. Amen.

BENEDICTION

May the blessings of God Almighty, the Father, the Son, and the Holy Spirit, rest upon us and upon all work and worship done in His name. May He give us light to guide us, courage to support us, and love to unite us, now and forevermore. Amen.

SERVICE OF INSTALLATION OF OFFICERS FOR THE WOMAN'S AUXILIARY

Let those who have been elected stand before the Bishop and then let him say:

It is right and fitting that those who have been duly elected as Diocesan Officers of the Woman's Auxiliary should be formally received and admitted into their respective offices in your presence, and that we should ask the blessing of God upon them for their support and guidance in the performance of the duties which you have laid upon them.

O Lord, save these Thy servants.
Who put their trust in Thee.
Send them help from the holy place,
And evermore mightily defend them,
O Lord, hear our prayer.
And let our cry come unto Thee.
Let us pray.

Our Father . . .

Direct us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life: Through Jesus Christ our Lord. Amen.

Almighty God, the giver of all good gifts; give Thy Grace, we humbly beseech Thee, to these Thy servants who have been chosen to serve Thee in the special work for which they have been selected; grant unto them zeal and earnestness in the performance of their office; wisdom and strength to meet each day their task; and love in the doing of it; and give them the vision to see their opportunities for service, to the glory of Thy great name and the benefit of Thy Holy Church! Through Jesus Christ our Lord. Amen.

Bless us, O God, with the vision of Thy Being and Thy Beauty, that in the strength of it we may work without haste and without rest; Through Jesus Christ our Lord.

I receive and admit you to the office of ..... Be faithful, zealous, sincere and humble in all your tasks, and may the Grace of the Lord Jesus Christ and the love of God our Father and the guiding fellowship of the Holy Spirit be with you evermore. Amen.

SECTION III
ANNUAL MEETING
REPORTS AND PLANS

PRESIDENT'S MESSAGE

69TH ANNUAL MEETING—WOMAN'S AUXILIARY
St. Philip's Church, Durham, April 11, 1951

As your President, I welcome you to the 69th Annual Meeting of the Woman's Auxiliary in the Diocese of North Carolina. It is a pleasure to see so many of you here, and it is my earnest hope that the two days ahead of us will prove to be of great value to us all.

The keynote for this meeting, "Increase in Us True Religion," was chosen because true religion encompasses all phases of our auxiliary work.

As the program unfolds before us and we hear detailed reports and plans of each department, I hope application of this theme will be the resolve of each individual present and that every one of us will use this prayer daily, taking home to our respective branches the wider and deeper meaning of these words.

During the past year our Auxiliary has grown in many ways—numerically by about 500, the total membership now being, 4,503. We lost two branches but gained three, making 109 in the diocese. (I hope representatives of those three new ones are here today)—St. Michael's, Raleigh; St. John's, Henderson; Galloway Memorial, Elkin.

Our Treasurer will report on the budget and surplus but she won't know of the many extras and specials which were noted on the report blanks. A careful estimate of all the money given by the women—including your budgets, United Thank Offering, Supply, Intercessory day offerings, central fund, missionary gifts, your many local projects, such as a roof or a carpet or an organ for the church—reached the surprising amount of almost $75,000. The widespread interest of the women, as evidenced by the recipients of these extras, is very gratifying and leads one to the belief that we are striving to obtain one of the objectives in our Constitution—that of the Extension of the Kingdom.

A study of the branch reports revealed the fact that more and more of our women are members of prayer groups and that a great many of you attend regular Bible classes. The members of many more branches celebrated the Holy Communion on our two intercessory days and at our United Thank Offering ingatherings. About 300 of you participated in the Quiet Day of Prayer and Meditation in December which is a big increase over the previous years this day has been observed in each of our nine districts. However, 300 is a small percentage of 4,500. My fervent prayer is that at least twice as many of you will avail yourselves of this privilege next December.

Summer conferences were well atended. I'm sure you've all heard of the success of the Woman's Auxiliary Conference at Vade Mecum under the capable direction of Miss Eleanor Snyder, where there was capacity attendance of over eighty from 39 branches. The Adult Conference at Kanuga had enrolled seventeen women from this diocese and fifteen of us attended the Conference of Church Workers at St. Augustine's, Raleigh, last June. Dare I say that we are striving harder than ever toward the second objective in our Constitution, that of religious education? You'll hear more of that from Mrs. Jones in a little while.

Our third objective is that of Christian Social Service. Mrs. Walker will tell you of that part of our work, but let me say that over a third of our branches support from one to five children at the Thompson Orphanage. Later on in the program you will hear of a plan to increase our social service to those children.

I won't take the time to read again the resolutions adopted a year ago, and see how well we have carried them out, both in our personal lives and in our relationship with others. I trust each one of you will do so when you return home and add to those adopted in 1950 the new ones which will be voted on affirmatively tomorrow. Resolutions are only empty words if they are not followed by action.

I have one more request to make of each of you. Please inform yourselves about what is going on in our Church. The branch prsidents can be of tremendous help in seeing that each of her members is given the pertinent content of the Church publications, both national and diocesan. Keep the flow of information going so that the interest of the "last woman in the last pew" is aroused, and aroused to the extent that she will act and that her true religion will be increased.

It was my happy privilege to be one of your representatives to the Provincial Meeting in Tampa last October. I spoke about this meeting to two districts and one branch, and have appeared before eight other branches during the year. I have attended a meeting of the Board of Managers of the Thompson Orphanage and a meeting of the Board of Directors of Kanuga; also the Diocesan Convention in Winston-Salem last May and four Executive Council meetings, at all of which I made a report of our Auxiliary; and, of course, there have been innumerable conferences with committees and individuals within the Diocese. Last, but not least, I had the rare opportunity of attending the Consecration of our Bishop-Coadjutor and the luncheon in his honor, at which time I presented to him a gift from the 4,503 women of the Diocese.

My message would not be complete without a recognition of the unfailing response and enthusiasm and invaluable aid I have received from my fellow officers—and, indeed, from all the women with whom I have come in contact. Your cheerful willingness to undertake any task which is assigned to you and your splendid cooperation with me and with each other have been an inspiration to me.

Let us pledge ourselves anew to obtaining the three objectives of our Church as stated in our Constitution, let us go forward together in the work of our Lord and Master as we pray reverently and sincerely that He increase in us true religion.

Mrs. J. P. Armstrong, Treasurer
Woman's Auxiliary of the Diocese of North Carolina
908 Arbordale Ave.
High Point, N. C.

In accordance with your instructions, we present the following statements from the books of the Woman's Auxiliary, to the National Council, of the Protestant Episcopal Church Diocese of North Carolina:

1. Summary of the Treasurer's Cash Reecipts and Disbursements
2. Analysis of Cash Receipts and Disbursements
3. Disbursements of 1949 Surplus and Balances of "Specials"
4. Receipts and Disbursements of "Specials" for 1950

Cash in bank was confirmed by depository bank, and reconciled at December 31, 1950. The net amount of $165.49, cash items in early January 1951, but applicable to December 1950, is included as cash transaction in the month of December 1950.

Cash in bank on January 1, 1950 amounted to $3,302.88. Net cash receipts over disbursements amounted to $472.16. Cash in bank on December 31, 1950 amounted to $3,775.04. In addition to the amount of $3,775.04, the Auxiliary had $500.00 to their account in full paid shares in the Security Building and Loan Association, Durham, N. C., and $453.77 in optional savings in the Security Building and Loan Association, Durham, N. C., making total assets of $4,728.81, according to the Auxiliary records.

The amount of $500.00 was confirmed by the Association; however, the Association reported $497.87 instead of $453.77 as indicated by the Auxiliary records. This may represent interest accrued on the books of the Association.

The Treasurer presented cancelled checks and bank statements to us for the period May 1, 1950 to December 31, 1950. Cancelled checks and bank statements for the period January 1, 1950 to April 30, 1950 were not inspected by us.

We found no exceptions to Mrs. J. P. Armstrong's cash records for the period examined by us.

CHRISTIAN EDUCATION 1951-1952

National Council has recommended that Woman's Auxiliary programs be planned from the following fields. The needs and interests of the individual parish should guide the selections and timing of the Christian Education Committee.

HELEN LOGAN JONES,
Secretary of Christian Education

CHRISTIAN SOCIAL RELATIONS

As I come to the close of a three year period of working for and with you in the field of Christian Social Relations, I would like to evaluate the program, pointing up that which has seemed good, yet not failing to point out places that have been weak so that your new secretary will not have to work by trial and error and may be able to start on the second rung of the ladder.

Our effort in the past three years has been largely educational. We found that the average branch needed to learn the immense scope of the work, and to learn just what activities can be labeled Christian Social Relations. We have had partial success, and as in any program of education, it must continue. It has been my pleasure to meet with eight of your branches and to attend seven district meetings where we discussed this program. Branches should keep in mind that your diocesan secretary is available to help you and should be used.

There are several hurdles which your secretary must overcome if the program is to accomplish that which it is designed to do. First, that the national program is largely educational, and if any specific project is launched, it is likely to reach us after our program is planned for the year. Secondly, that we have been unable to find a niche wherein to fit into the diocesan program. And thirdly, that the diocesan and branch auxiliaries sometimes lose sight of the fact that we have a well set up committee. Projects may come up during the year that can well come under Christian Social Relations, and a new committee is formed to carry out the project. Local welfare, requests from missionaries that do not come under Supply or Missionary Correspondent, special projects for Thompson Orphanage, or any effort toward a better understanding of race relations can well be referred to this committee which is ready and equipped to do the job and eager to be used.

The last hurdle is the fact that there is so much difference of opinion as to just what projects to support. The diocesan projects are selected with care and are either suggested or approved by the national secretary of this committee. If one of the projects does not have your hearty approval, a token contribution would not be too much of a sacrifice while it would help to strengthen the unity of the group and encourage the committee to greater effort.

We are over the hurdles, now to the pleasurable part of thanking you for your splendid cooperation. The plan of special projects seemed to be of particular interest to the smaller branches and it was there we had the greatest response. Incomplete reports show us that we have sent over 270 yards of material to Jerusalem valued at $250 and 36 packages of supplies to nursery schools in Japan, plus contributions of $31.

We are sending $185.50 to the Tuttle Community Center in Raleigh. This will be used for playground equipment for the nursery school. They are setting up a special playground in the side yard to be used by the 50 small children who have been unable to use the playground with the larger children. We will furnish 2 combination swing sets (which include 2 swings, bars, and a see saw) and a slide. The balance of the fund will be used for cots needed for the rest period.

In closing, I wish to thank you for the honor of serving as your secretary. It has been a rare privilege to be engaged in furthering projects which emphasize the reality of the brotherhood of man, and the imprint of treasured friendships is something time can never erase.

To my successor, I will and bequeathe a work that will challenge her greatest effort and give the greatest rewards. My love and prayers will follow you as you continue to exemplify Christian love through your program of Christian Social Relations.

CORA GALER WALKER,
Secretary of Christian Social Education

SUPPLY

The work of the Supply Department has been defined for you so often that I do not believe it requires another definition here. Even those of you, who are new in Auxiliary work, will find that you will have every opportunity to learn about it at an early date. For the work, which is being done within our Diocese and for Missions outside, requires the help and effort of every Auxiliary member.

The results of the year, now drawing to a close, speak loudly of the fact that almost every branch in the Diocese has had a larger share than ever before in the Supply work. This means their financial contributions as well as their time and efforts. Although this is not a statistical report, I believe that you will each one be interested in knowing that this year you have supplied to Saint Agnes Hospital, Raleigh and the Good Samaritan, Charlotte, approximately three thousand articles. These include sheets, pillow cases, towels, patients' gowns, Doctors' and hospital workers' scrub suits and dresses, infants' layettes, etc. The value of all of these, if purchased through stores and surgical supply houses, is quite staggering and far beyond the means of the hospitals themselves. But because of the many branches, who have done such a splendid job in sewing and of interested friends in the textile business, who have kindly let us purchase necessary materials at low prices, we have been able to fill every request made by the hospitals.

In addition to these two, we have also sent shipments to Saint Barnabas Hospital in Osaka, Japan, valued at $250.00. This is a maternity hospital with a capacity for one hundred and twenty mothers. It is doing a fine work in that country, where Christianity is meeting its greatest challenge. This was our only assignment outside the Diocese.

Within the Diocese, the Tuttle Community Center and the Thompson Orphanage have received many boxes of excellent used clothing. I do not need to tell you what this latter contribution has meant to Mr. and Mrs. Whisnant and the girls and boys there. In these days of inflation and greatly increased prices, the money available could not possibly stretch sufficiently to buy all the clothes needed. More and more, you are depended on for your good outgrown and not outworn clothing to round out the eighty-five wardrobes of the Thompson Orphanage.

The used clothing, bedding, etc., which has been sent to the Tuttle Community Center, is helping in the fine type of settlement work done by that institution and is the only contribution made by the Episcopal Church to what was formerly entirely a Church project.

In December a check for $35.00 was sent to the National Council for the Supply Secretary's Gift Fund. This fund is distributed at Christmas time to retired Missionaries, their widows and families, to help pad their meager pensions.

As I look back over the past two years, since we first undertook the responsibility of supplying the needs of our Diocese, without outside help, as well as those of Missions in the foreign field, I feel that we have come a long way and that each woman should feel proud of the part she has had in the success of this undertaking. Last year what was accomplished was fully three times greater than what was done the year before. This year it is ap-

proximately five times greater, both in monetary value and in number of articles supplied. We shall need to continue our greatest efforts financially and otherwise, if we are to maintain the standard we have set for ourselves as a Diocese. I have no doubt that we shall.

As my term of office ends, may I say "Thank You" to the members of my committee and each one of you for your unfailing help, your understanding and your friendship. I am deeply appreciative of the opportunity of working with you and having even a small share in the work of the Woman's Auxiliary.

UNITED THANK OFFERING

Your United Thank Offering, the perfect way of giving, is eager to reach more and more members of the Woman's Auxiliary. The work that is supported by these gifts is an ever growing one, hence our offering most grow. When you study the budget you become so very conscious of the never ending needs that must be met by us. When our women are alerted to the United Thank Offering our funds will be unlimited and only Our Father in Heaven will know the breadth and depth of our spiritual growth. We must work always toward giving every woman the joy and privilege of being a part of the United Thank Offering. Giving not just of her abundance but of self denial.

If each one of us would pledge to give at least one Box to some one this Spring or Summer our "Offering with Power" would go up at least a fourth. Keep alive your United Thank Offering by talking about it. Keep your Blue Box ever before you as a reminder of your opportunity and the Church's chance for growth in the Mission Fields.

I am reversing my decision in regard to carrying supplies. Miss Beardsley, our Treasurer of United Thank Offering at National Headquarters in New York has requested all Diocesan Custodians to carry sufficient supplies to service all Auxiliaries under their supervision. Each branch will be expected to take care of the cost of material needed, that is not free. Boxes and pamphlets are free, but booklets, maps, charts and prayer cards have to be paid for.

I have made fourteen talks on the United Thank Offering, at six of these, movies were also shown and I have conducted two District work-shops. I will also conduct the work-shop on United Thank Offering at Vade Mecum for the Woman's Auxiliary Conference. Two letters, Fall and Spring, have gone out from me to all Parish and District Custodians and one article on the United Thank Offering in the February issue of the North Carolina Churchman.

There have been some expressions of interest in knowing where our Offering goes, this I have tried to stimulate in my talks. There is a dollar growth in some Parishes and I trust this means greater participation.

Below I have listed, for you, the Parishes and gifts received in the Fall of 1950 and the Spring of 1951.

INTERRACIAL

The Woman's Auxiliary of the Diocese of North Carolina has made great strides in the past few years in Interracial work. More and more women of the Church are showing that the opportunity for service at our own door is not being overlooked.

Marked improvement has been shown in many of the branches since the Field Worker has been at work. We feel that the work will continue to improve as we realize more fully each day that "We are our Brother's keeper." It is up to us as Christian women to set the example for this world of chaos and strife in which we find ourselves. Christianity must take a stand.

ANNIE BLACK,
Interracial Chairman

DIOCESAN FIELD WORKER

There are only a few Negro clergy to serve the entire diocese, and their work must cover many groups in widely scattered areas. This gives them a limited time to train our leaders, so this has, in all parishes and missions, been of first importance. Our leaders are not always able to take advantage of the privilege of attending such meetings as our district meetings and the Annual Meeting of the diocese, to obtain instruction and inspiration for their various duties in Auxiliary activities, so the Field Worker makes every effort to keep informed in order to be of service where she is needed.

The work among our Young People has been stressed in every parish and mission. Leaders are given every possible assistance in their efforts to carry out carefully planned programs to interest and inspire the youth of our church, and this work is being strengthened by the program of work carried on by Camp Delaney.

Camp Delaney is our District Project, and working together as a group for the improvement of this splendid source of youth training and recreation, has been a great opportunity for us to learn more fully of the important place it can become in the church life of our people. Our young people have less than average privileges for training in Christian leadership, so we must constantly strive to make Camp Delaney attractive and to make full use of its possibilities.

Our records show no spectacular growth or improvement in any one field of service, but we believe a sympathetic as well as a comparative study of our records and reports will show a healthy and very encouraging growth in interest, action, and the devotional life of our branches.

As your Field Worker and representative, I have been privileged to go into every parish and mission and to give help in any way possible. This has been done, first, by availing myself of the unusual opportunities given me by the National Church and the diocese to improve my own training and quality of leadership. The weeks of study at Windham House and Union Theological Seminary have been of inestimable benefit to me personally. The training has given me the confidence and encouragement that I sorely needed, and the fellowship and opportunities served to strengthen my faith and to give me a clearer vision to serve my people. Second, the ministers of our churches have cooperated in every way and

have invited me to come to their parishes and have a part in making the best use of what we have in the way of equipment and in planning future activities and program. Then, the diocesan leaders have been generous and untiringly patient in their efforts to give our leaders help in filling to the best of their ability their offices in Auxiliary work. Then, last and most important, our women themselves are constantly striving to learn more about the Woman's Auxiliary, its unlimited fields of service, and, in learning, have come to feel a deeper sense of their responsibility to go forward with the Church at large in study, action, and in a spiritual growth that will truly bear fruit now and in the future.

CONSTANCE S. YOUNG

PERSONNEL

The Objectives of the Department of Personnel are:

1. To make known the urgent need of the Church for women workers trained to be Directors of Religious Education, College Workers, Parish Secretaries, Social Workers, Teachers and Nurses.
2. To make available the necessary training for young women who are interested in entering these fields of service, and obtaining scholarships for them when necessary.
3. To assist in placing these young women where they are most needed and best suited after they have received their training.
4. To keep in touch with our women workers in the field at home and abroad.

There is a great opportunity for young women of high personal and religious qualifications to find a career of service in our Church. As the needs of the Church become better known there will be an increase in the number of applicants for pioneering jobs of this kind. For this reason, the Personnel Secretaries of each branch are urged:

1. To get information about opportunities awaiting trained young people of the parish.
2. To select the most outstanding young person in the parish who has qualifications of leadership, an attractive and well-balanced personality and be sure she is aware of the possibilities for a career within our Church.

The following leaflets will be of help!*

1. Tell us about Personnel.
2. Consider the Church.
3. We work for the Church.
4. The Church: A Profession for Women.

It is most gratifying to know there are at least two college graduates from the Diocese of North Carolina who expect to enter Windham House, New York City; or, St. Mary's House, Philadelphia in the fall to receive training for Church work.

Each member of the Woman's Auxiliary should consider it her individual responsibility to create interest in this program through personal contact with the young people of her parish.

Secretary of Personnel

YOUTH WORK

During the past year several additional branches have appointed Youth Work Secretaries, and reports from all the branches show a growing interest in the work. A workshop on Youth Work was held at Vade Mecum last summer, and from the findings of this workshop a booklet "A Handbook for Youth Work Secretaries" was compiled. Copies of this booklet were sent each branch secretary. Included in the handbok are duties of Youth Work Secretaries, which are as follows:

1. Keep your Auxiliary informed of the activities and needs of the youth.
2. Keep your Parish informed of the needs and activities of the youth.
3. Cooperate with the Rector, Sunday School, and other organizations in procuring adult leadership.
   (a) While the Youth Work Secretary is primarily concerned with the age group twelve through the teens, in many small parishes there are few young people of this group, so her activity and interest may certainly cover the cradle roll, Sunday School, Brownie Scouts, Cub Scouts, Junior Choirs, etc.
4. Study the needs of the youth in your parish and try to interest the parish in providing the means to fill them.
5. Subscribe to Youth Leaders Mailing List,—281 Fourth Ave., New York 10, N. Y.—cost $1.00.
6. Urge observance of special communions for youth, as designated by the National Council.
7. Investigate possibility of interesting the Youth of your parish in one or more of the Youth Organizations, such as Girl's Friendly; Order of the Daughters of the King, Jr. Division; Order of Sir Galahad; Brotherhood of St. Andrews, Jr. Division.
8. Make the Youth feel that they are an important part of Parish life, and encourage them to participate in activities. See that they are given definite jobs to do—some in cooperation with adults and some on their own.
9. Work constantly to emphasize the importance of the parish's cooperation with the youth by supporting their projects. Too often only parents are aware or interested, and young people are hurt by the fact that the parish as a whole does not care.
10. Interest the parish and the Auxiliary in giving scholarships to the Youth Conference, Y. P. S. L. Convention, and to the camps at Vade Mecum and Camp Delaney.
11. The Secretary is not necessarily required to act in the capacity of advisor or leader to the youth groups, unless she has the talent, and is requested by the Rector or organization.

CHURCH PERIODICAL CLUB

As I look back over the past year, since I became director of Church Periodical Club Work, I am happy about the marked success in many parishes, hopeful in others and considerably concerned about some. This is a most important work. Our sole purpose is to provide reading material and educational aids to peoples and organizations throughout the world that have no other source from which they can secure them. This is done by donations of money through the Walter E. Peck Agency, Galesburg, Ill.; remailing of magazines after you have finished with them, or donations of used books, hymnals, prayer books, music, religious leaflets, scrapbooks, etc.

I am listing the donations of each parish. If your name *isn't* on the list please resolve right now to have it there next year.

MISSIONARY CORRESPONDENT

First I wish to express my appreciation for the high privilege and honor of serving this Diocese as Missionary Correspondent. Also, I desire to thank the Missionary Correspondents of the Districts and Parishes for their fine spirit of cooperation.

We are also grateful to our missionaries for the interesting letters and pictures they have been so thoughtful to send us. Your Missionary Correspondent has released the monthly bulletins and hopes that these have been inspirational and helpful. It is hoped that those Parishes which contribute so generously to the various projects and enterprises will report these activities to the Missionary Correspondent or to our Treasurer, so that they will receive proper credit.

The Church has a definite missionary program which it has had since the infant Church of the Upper Room with Jeesus and His Disciples. Each of us is, or should be, a Missionary Beacon Light and a part of Christ's Holy Fellowship.

We are living in a changed and changing world. A chaotic, confused world, which offers a new imperative to all Christian people, especially to our own country, to spread the doctrine of Christianity as our first line of defense. We must carry the torch of Christianity and spread the Gospel if civilization is to survive. We must accept our responsibilities and obligations to send missionaries to the foreign fields and to our United States. Religion and Christian Faith are the only panaceas for the war-weary world.

We must, therefore, evaluate our service, purge ourselves of injustices and un-Christian attitudes in order to create a world vision. We do realize that kindness and friendship are the very essence of the human equation.

We know full well that any church or any auxiliary is dying, which is not missionary minded. Let us hold in our hearts Jesus' parting injunction to "Go ye therefore and teach all nations, baptising them in the name of the Father, the Son, and the Holy Ghost." "Teaching them to observe all things whatsoever I have commanded you to do. I am with you always, even unto the end of the world"

BLANCHE S. ROBERTSON,
Missionary Correspondent

SUGGESTIONS FOR MISSIONARY CORRESPONDENTS

1. Study purple Book, know your Church, the Church's program and your officers.
2. Know the missionaries that are assigned to your District.
   A. Pray for them.
   B. Remember them with cards and letters.
3. Take every opportunity to acquaint your Parish correspondents with their missionaries.
   A. Try to get as many programs in as you can.
   B. Remind your rector to have mission prayers at Corporate Communions.
   C. Try to get "Forth" in each home.
   D. Each correspondent should have "The Calendar of Prayer for Missions." This little book will keep us well informed on the lives and works of our missionaries. The more we know about these Saints of God and Messengers of the word of God, the more we are going to help them with their wonderful work.

REPORT OF THE REPRESENTATIVE ON THE STATE LEGISLATIVE COUNCIL

The Woman's Auxiliary of the Diocese of North Carolina is one of the sixteen state organizations having membership in the State Legislature Council. The Council was organized in North Carolina in 1920 by five women's organizations. In 1934 membership was expanded to include representatives of statewide organizations, with both women and men included in the membership. In 1941 the Council became the fifteenth State Council to join the National Council on State Legislation.

The State Legislative Council has a two-fold purpose: (1) to propose new social legislation, and (2) to safeguard worthwhile legislation already enacted. Each member agency appoints one representative to a Study Committee, which was organized in 1948. This committee works for two years studying the need for proposed legislation. After particular needs have been defined they are presented to the total membership of all organizations. If unanimously approved by all member agencies, the State Legislative Council becomes responsible for sponsoring the passage of specific legislation.

The Woman's Auxiliary of the Diocese of North Carolina has four representatives on the State Legislative Council. They are: Mrs. T. C. Powell, Jr., Raleigh; Mrs. James Beckwith, Warrenton; The Rev. I. Harding Hughes, Raleigh, who is a member representing the N. C. Churchman, which will attempt to publicize to the women in the Diocese the program of the Council, and Mrs. John Richardson, official representative.

During the legislative year of 1951 the State Legislative Council adopted a five point program. It consisted of: 1. Effective system with adequate support for improving enforcement of compulsory school atendance law. (This involved not a bill but a request for additional funds to enforce the compulsory school attendance law. The State Board of Education made such a request of the Advisory Budget Commission, but the Commission did not include it in its recommendations.) 2. Minimum wage and maximum hour standards for women and minors. 3. Provisions that in divorce proceedings where children under 18 years of age are involved, a definite plan for their care and custody be included in the order of the judge hearing the case. 4. Abolish the fee system in lieu of salary for operation of jails and for enforcement of the criminal laws. 5. Increase the jurisdiction of the juvenile court so as to include children 16 years of age.

None of the five proposed bills passed the General Assembly. The Legislative Council feels however, that a good educational job has been done on the subject of these bills.

I would like to report at this time on the action which has been taken by the legislative representatives on the Council in regard to Resolution IX which was adopted at the Annual Meeting in High Point last year. This resolution deals with the problem of degrading periodicals which are available to the youth of our State. The legislative representatives were asked by the Auxiliary to do something about this problem insofar as they could. The problem was referred to the Study Committee of the State Legislative Council which in turn referred it to the Library Division of the Council. The attached report is a result of their study.

It has been a great pleasure to serve as the official representative of the Woman's Auxiliary of this Diocese on the State Legislative Council. On behalf of the other three members and myself I wish to thank you for the privilege and honor.

MRS. JOHN T. RICHARDSON, *Chairman of Legislative Committee and Representative on the North Carolina Legislative Council*

TO: Mr. Harlan C. Brown, President; North Carolina Library Association

From: *Committee Investigating Reading Materials in News Stands, Etc.*

Subject: Report of Findings

The committee recognizes the existence of a very real problem in the matter of reading material available in news stands and other commercial places. It is its unanimous opinion, however, that legislative action is not the solution for this problem.

1. In our country, laws are not merely for the present situation, but set patterns for the future, and a law censoring reading material could become a dangerous precedent.
2. Further, past experience indicates that prohibitive legislation will not alleviate the present undesirable situation.

The committee does not wish to give a merely negative report and therefore offers the following suggestions:

1. That each organization represented in the State Legislative Council of North Carolina become informed about efforts now being made by publishers such as the Association of Comics Magazine Publishers, and pledge its support of their program of improving the quality of their publications.
2. That local groups secure the cooperation of local dealers in making more careful selection of reading materials.
3. That individuals and organizations show their appreciation of this cooperation through their patronage of such dealers.
4. That fundamentally the primary responsibility upon parents, teachers, librarians, and others interested in the problem is that of instilling in children, from babyhood, a taste for reading that will develop a sense of values and discernment that will reject the shoddy and the cheap.

FOREWORD

I couldn't be more honored than to be asked to write a Foreword to the Hand Book for the Woman's Auxiliary of the Diocese of North Carolina. I have heard that a Foreword is for the purpose of commending a publication to the potential reader. In this case it is just the other way—the writer of the prefatory remarks is commended in being privileged to occupy the position. However, he is most anxious to commend the contents of this book to all who love the Church and are happy when it is effective. The story which follows is one of great and noble accomplishment.

It is a story about people who have made great sacrifice for a cause to which they are fully committed. It is a story about people who have inherited a splendid tradition of high standards of performance and have not betrayed their trust. It is a story of people who have prepared themselves through years of devoted service for increasing responsibility.

In all of this they do not ask for any reward other than to share in the Redemption of the people of the whole world.

As you read the thrilling account of what has taken place I am sure that you will be inspired to share what God has given you that all mankind may know His love.

PRAYERS

THE WOMAN'S AUXILIARY PRAYERS

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Savior and their King: through the same Jesus Christ our Lord. Amen.

Almighty God, whose love reacheth unto the world's end, and who didst send Thy blessed Son to redeem all mankind: Help us, we pray Thee, so to reveal Thy love in prayer and work and stewardship, that by Thy spirit all nations and peoples may be baptized into one body, even as all are redeemed by one Savior; through Jesus Christ our Lord. Amen.

PRAYER FOR MISSIONS

Almighty God, help us, we pray Thee, to shed abroad the light of Thy Church in all the world. Give us greater zeal for Thy kingdom, that we may offer abundantly our prayers, our work, and our gifts; so that the earth may be filled with the knowledge of Thy glory, as the waters cover the sea; through Thy Son, Jesus Christ our Lord. Amen.

FOR GUIDANCE OF THE HOLY SPIRIT

O God, forasmuch as without Thee we are not able to please Thee, mercifully grant that Thy Holy Spirit may in all things direct and rule our hearts; through Christ our Lord. Amen.

PRAYER FOR CHRISTIAN SOCIAL RELATIONS

Jesus, our Master and our friend, who claimest our service through the needs of our neighbors; Grant us so to see thy image in all our fellow creatures that in serving mankind we may minister to Thee, the living Savior of the world. Grant to each one of us, that we may do our part in bringing about an order of society where there is no just cause for discontent or bitterness of spirit, and where every person may be enabled to come to the fullness of perfection for which he was made, through Jesus Christ our Lord. Amen.

FOR THE UNITED THANK OFFERING

O Lord, Our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer and gifts and joyful service; and bless it to the coming of Thy kingdom through Jesus Christ our Lord. Amen.

Accept, O Father, this joyful sacrifice of thanksgiving and praise, and bless these gifts to the setting forward of thy kingdom; that as we have gratefully received the benefits thy bounty has bestowed, so we may cheerfully share them with thy children in all the world; for his sake whose life and death and rising to life again were a song of praise to thee, O thou Most Holy, our Savior Jesus Christ. Amen.

FOR CHRISTIAN EDUCATION

O God, who has sent Thy beloved Son to be unto us the Way, the Truth and the Life, grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of Thy Son, Jesus Christ our Lord. Amen.

THE PRAYER FOR THE SUPPLY WORK

Almighty God, who has taught us by Thy Son, Jesus Christ, that it is more blessed to give than it is to receive, look with favor, we beseech Thee, upon the supply work of Thy Church, especially in this Diocese. Touch our hearts with compassion for the poor, the sick and homeless, and make us strong to lift their burdens with our ready gifts and service; through Jesus Christ, our Lord. Amen.

PRAYER FOR THE THOMPSON ORPHANAGE

Almighty God, who are the Father of the fatherless, send Thy blessings upon the Thompson Orphanage, instituted in Thy name. Give patience and wisdom to the officers, teachers and matrons of this home, that they may faithfully discharge the duties committed to their charge. Let the boys and girls grow in grace and earnestess, day by day. Strengthen their bodies, enlighten their minds, purify their hearts and sanctify their wills. Bless all who have contributed to this institution, and raise up, we pray Thee, a never-failing succession of benefactors whose names may be perpetuated through all generations, as a blessed memory, and their good deeds be accepted; through Jesus Christ our Lord. Amen.

FOR THE EVERY MEMBER CANVAS

God our Father, who providest for Thy children in advance of their needs, bless we pray the work of our Every Member Canvass, and grant us all to share in it with glad and willing hearts for the sake of Thy Kingdom, through Jesus Christ our Lord. Amen.

FOR DIOCESAN MISSIONARIES

O Lord and Heavenly Father, without whom we can do no good thing, but with whose help even Thy little ones go forth as the mighty, we beseech Thee to prosper the work of all Thy missionaries, wherever they may be, (and especially the work of Thy servant.....). Grant them the wisdom to know and the strength to do Thy will, and bless them with the hope and consolation of Thy heavenly promises, for the sake of the Son, Our Savior, Jesus Christ. Amen.

FOR PERSONNEL

Our Father, if it be Thy will, put it into the heart of some young man or young woman of this parish to choose one of the many vocations within the Church for his or her life work, whether it be in our own land or overseas. We pray Thee help each one of us, whatever our calling, to practice it as becomes a Christian in Thy Name and with Thy guidance. Amen.

NOONDAY PRAYERS

Blessed Savior, who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look upon Thee and be saved. Amen.

Blessed Lord, inspire our hearts and the hearts of all men everywhere with the love of God and of our fellowmen, that we may be worthy of world peace. This we pray in Jesus' name. Amen.

FOR WORLD PEACE

Almighty God, from whom all thoughts of truth and peace proceed; kindle, we pray thee, in the hearts of all men the true love of peace, and guide with thy strong and peaceful wisdom those who take counsel for the nations of the earth, that in tranquility Thy Kingdom may go forward, till the earth shall be filled with the knowledge of thy love; through Jesus Christ our Lord. Amen.

FOR USE BEFORE AND AT THE TIME OF THE ELECTION OF OFFICERS

O Holy Spirit, Whose guidance and inspiration alone can enable us to fulfill the Will of God, teach us, we pray Thee, the dignity of our missionary work, and give us grace to choose as our leaders those whom Thou dost call to Thy faithful service. To those so chosen give a spirit of reverence in the exercise of their office, and to all of us a deep sense of our obligation in the discharge of every duty, to do all the glory of God through Jesus Christ our Lord. Amen.

BENEDICTION

May the blessings of God Almighty, the Father, the Son, and the Holy Spirit, rest upon us and upon all work and worship done in His name. May He give us light to guide us, courage to support us, and love to unite us, now and forevermore. Amen.

SERVICE OF INSTALLATION OF OFFICERS FOR THE WOMAN'S AUXILIARY

Let those who have been elected stand before the Bishop and then let him say:

It is right and fitting that those who have been duly elected as Diocesan Officers of the Woman's Auxiliary should be formally received and admitted into their respective offices in your presence, and that we should ask the blessing of God upon them for their support and guidance in the performance of the duties which you have laid upon them.

O Lord, save these Thy servants.
Who put their trust in Thee.
Send them help from the holy place,
And evermore mightily defend them,
O Lord, hear our prayer.
And let our cry come unto Thee.
Let us pray.

Our Father . . .

Direct us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life: Through Jesus Christ our Lord. Amen.

Almighty God, the giver of all good gifts; give Thy Grace, we humbly beseech Thee, to these Thy servants who have been chosen to serve Thee in the special work for which they have been selected; grant unto them zeal and earnestness in the performance of their office; wisdom and strength to meet each day their task; and love in the doing of it; and give them the vision to see their opportunities for service, to the glory of Thy great name and the benefit of Thy Holy Church! Through Jesus Christ our Lord. Amen.

Bless us, O God, with the vision of Thy Being and Thy Beauty, that in the strength of it we may work without haste and without rest; Through Jesus Christ our Lord.

I receive and admit you to the office of..... Be faithful, zealous, sincere and humble in all your tasks, and may the Grace of the Lord Jesus Christ and the love of God our Father and the guiding fellowship of the Holy Spirit be with you evermore. Amen.

BENEDICTION

The Father, Son and Holy Ghost bless, preserve and keep you, in your work, in your worship, this day and always, through Jesus Christ our Lord. Amen.

SECTION II

OBJECTIVES OF WOMAN'S AUXILIARY BRANCHES YEAR 1952-53

"Create and make new our hearts and minds."—Theme of Triennial Meeting, 1952.

When we offer this prayer to God, let us open our hearts to His Indwelling Spirit, our minds to a wider and deeper knowledge of His Truth, our hands in willing service for Him to all His children at home and in the uttermost parts of the earth.

Let us open our hearts to Him through

WORSHIP:

1. As individuals, through daily prayer and private meditation, attendance at church services, especially the celebration of the Holy Communion, prayerful use of the United Thank Offering Blue Box.
2. As family groups, through grace at meals, family prayers, going together to church.
3. As Auxiliary branches, by observing Corporate Communions, or worship services on:
   Jan. 6—Feast of the Epiphany.
   Feb. 2—Feast of the Purification.
   Mar. 25—Feast of the Annunciation and the Spring Ingathering of the United Thank Offering.
   Oct. 18—St. Luke's Day and the Fall Ingathering of the United Thank Offering.
   By attending the Quiet Day in your District on Dec. 5th, first Friday in Advent.
   By participating in the World Day of Prayer on Feb. 20th, and other prayer days sponsored by the United Council of Church Women.
   By forming prayer groups.
   By planning devotions for all our meetings as carefully as we plan the program and as an integral part of the program.
   By praying for our missionaries, for those from our parishes away at school and college, for those in the Armed Forces, for peace, for wisdom at the time of elections. (See Resolutions, page 64).

Let us open our minds to Him through

STUDY:

1. Organize Bible classes, and groups to study the books in the Church's Teaching Series.
2. Plan a program of study in accordance with the recommendations of our Diocesan and District Secretaries of Christian Education.
3. Share programs and speakers on the mission study topics—Africa, and Human Rights—with other church groups in our community, when possible.
4. Cooperate with other groups in our community in studying legislation, civil defense, local youth problems.
5. Read at least one general church paper—for example, The Living Church or Episcopal Church News—and Forth, the N. C. Churchman, and Churchways. Follow closely the reports on General Convention. Know the program of the Church, for we are Auxiliary to the whole program of the Church.

6. Have brief reports on each department of Auxiliary work at each meeting, and a program on each department at least once during the next Triennium.
7. Be informed on the opportunities for young people to find a life work in working for the Church.

Let us open our hands in service and gifts:

SERVICE:

1. In the parish by helping in the Church School, with Youth work, with college students, by visiting the sick and shut-in, by serving on the Altar Guild.
2. In the community by assisting in projects developing out of study of community needs.
3. In the diocese by supporting the Thompson Orphanage and other diocesan institutions and missions.
4. In the nation by supporting missions as requested by the Supply Department, and by exercising our responsibility as citizens to vote at election time.
5. In the world by participating in campaigns for overseas relief, and in assistance to Displaced Persons.
6. By developing leadership in the different paths of service. The Woman's Auxiliary and the Church need leaders.

GIFTS:

1. Strive to see that every woman owns and uses a United Thank Offering Blue Box.
2. See that our branch pays its pledge to the budget of the Diocesan Woman's Auxiliary—and increase it if we can.
3. Encourage acceptance by our vestries of the full Church Program quota for our congregation.
4. Make tithing our objective—5% for the Church, 5% for other charitable causes. Episcopalians averaged 5 cents a week per communicant to the work of the National Church last year. Let us give more in proportion to our means.
5. Be alert to respond to special calls from our Church at home and overseas.

   Let us open our hearts to all our brothers in Christ, including those whom we do not like.

FELLOWSHIP:

1. Have a spirit of friendliness in church. (See Resolution I, page. . . .)
2. Seek out inactive members, newcomers, the unchurched. Many are hungry for what our Church offers—let us not withhold it from them because of exclusiveness or timidity.
3. Keep in touch with the young people from our congregation who are in college or in the Armed Forces. Draw them back into the fellowship whenever they come home.
4. Practice and teach greater understanding of, and cooperation with, all races, classes and creeds, always remembering the Church is One, Holy, Catholic and Apostolic.

ANALYSIS OF THE YEAR OF THE WOMAN'S AUXILIARY OF THE DIOCESE

1. The fiscal year of the Diocese and the branches runs from January 1st to December 31st. Reason: It must coincide with the fiscal year of the National Council.

2. The year of active study and action runs from the first meeting in the Fall to the last meeting before Summer recess. Reason: It must conform to the plans and material sent out from the National Council.
3. New branch officers should be elected at a meeting prior to the Annual Diocesan Meeting. Reason: (a) The names of the new officers can then be listed in the new year book. (b) New officers should be considered in the election of delegates to the Annual Meeting.
4. The Annual Diocesan Meeting is usually held the second week after Easter, conforming to the date of the Diocesan convention of the Church and to the Bishop's schedule.
5. New branch officers should be installed at the last meeting before Summer recess. The new president presides at the first Fall Meeting. A few branches meet during the Summer. Their officers should be installed at the June meeting. The new president presides at the July meeting.
6. New officers should spend the summer preparing for the coming year of study and action. The program of Christian Education should be prepared at this time.
7. Report blanks are sent to all the branches in March. Reports cover the period of time from previous July 1st to May 1st. Branch reports must be mailed to the District Chairman by April 25th. Lists of recently elected officers sent in on the reports then become correct in the year book for the longest period of the year possible.

SECTION III
ANNUAL MEETING
REPORTS AND PLANS

PRESIDENT'S MESSAGE

70TH ANNUAL MEETING—WOMAN'S AUXILIARY

Church of the Good Shepherd, Rocky Mount, April 23, 1952

As your President, I welcome you to the 70th Annual Meeting of the Woman's Auxiliary in the Diocese of North Carolina. It is a pleasure to see so many of you here, and it is my earnest prayer that the two days ahead of us will prove of great value to us all.

The keynote for this meeting is "Sharing in Redemption." As the program unfolds before us, and we hear detailed reports and goals of each department, let us realize that we must do our part in this great plan of Redemption, so that our efforts in all phases of Auxiliary life will be blessed.

The Auxiliary has been blessed during the past year in many ways. Numerically, there has been an increase of about 300, making a total membership of 4,835. The number of branches has decreased, but only because, in several places, organizations in the same church have combined, thus adopting the recommended unified plan, and thereby strengthening the parishes involved. And we have three new branches, those of St. Timothy's, Winston-Salem, Church of the Holy Family in Chapel Hill and our baby branch, St. Matthew's in Mooresville.

Our Treasurer will report later on the budget and surplus, but her report doesn't show the many extras and specials which did not go through her books. A conservative estimate of all the money given by you, including budget, United Thank Offering, supply, intercessory day offerings, central fund, missionary gifts, the many local projects such as a roof or an organ or a rug, reached the amazing amount of over $85,000.

Even more gratifying than the total is your wide-spread interests, as evidenced by the variety of recipients of these funds.

It is thus obvious that in this way we are striving toward one of the objectives in our constitution: that of the Extension of Our Kingdom.

Spiritually, too, we are renewing and revitalizing our efforts towards that objective. There has been a noticeable growth in the spiritual attitude throughout the diocese. Many more of you are active participants in prayer groups, and are attending regular Bible classes. The reports of the Quiet Day of Prayer and Meditation held in each of the nine districts the first Friday in Advent show a definite turning toward things of the spirit. This is evidenced also in the number of branches observing the corporate communions on our two Intercessory Days, and at our United Thank Offering ingatherings.

Another outstanding example of the spiritual interest manifested throughout the diocese is the fact that the District of Mecklenburg brought the Rev. and Mrs. Edgar L. Sanford to Charlotte last month for a Healing Mission. The churches were filled to capacity at every service, and both Mr. and Mrs. Sanford were busy every day having personal interviews with sick and troubled people, many of whom came from other parts of the diocese.

The conference at Vade Mecum was successful from every standpoint. There was capacity attendance, an excellent faculty, and an overflow on Visitor's Day. Results can readily be seen in many departments, particularly in the branches whose members were present for the entire time.

There were twenty members of our diocese in attendance at the Adult Conference at Kanuga, six at the Lay Conference on Christian Education at Sewanee, and sixteen at the Conference of Church Workers at St. Augustine's College, Raleigh, last summer. Programs in the branches have been greatly improved and enthusiasm aroused in Religious Education. I'm sure we are striving harder than ever—and more successfully—toward the second objective of our constitution: that of Christian Education.

In that connection let me stress again the importance of keeping up—not with the Joneses—but with the activities of our Church. Please subscribe to, and then read, our Church publications. For the next few months they will be full of plans for the General Convention and the Triennial Meeting of the Woman's Auxiliary to be held in Boston in September. Thrilling and inspiring events will take place then, and the next best thing to being present is reading about them. So see that you and your members back home are informed, and therefore actively interested, in our Church and all phases of its endeavors. The branch presidents can be of tremendous help in keeping the channel of information open, and in giving the pertinent content of our Church publications to their members.

The third objective of our constitution is that of Christian Social Service. Mrs. Purser will tell you of that part of our work, but let me anticipate her report—and possibly steal some of her thunder—by telling you that more than one-third of the branches support from one to eight children at the Thompson Orphanage. And when the appeal was made just a year ago for $400 to enable each June graduate at the Orphanage to leave the fold with $100 in his pocket, you gave more than double that sum.

Time forbids a mention of our many other departments. You will hear from each officer and committee chairman during the day. However, I do want you to know that the Diocesan Auxiliary was represented in Atlanta last November by Mrs. Matt Wall at the Southeastern Convocation of United Council of Churches of Christ in the U. S. A., and that many of you have participated locally in the ecumenical observance of World Fellowship Day, World Community Day and World Day of Prayer.

It was my happy privilege to be one of your representatives to the Provincial Synod in Birmingham last October. During the year I have spoken at two district meetings and to several branches, and have attended a meeting of the Board of Managers of Thompson Orphanage. I was present at the Diocesan Convention in Greensboro last May, and at three meetings of the Diocesan Executive Council, at each of which I made a report for the Auxiliary. I have met with the Diocesan Department of Christian Education, and that of Missions, and, of course, there have been many committee meetings and numerous conferences with individuals in the Diocese.

My message would not be complete without a recognition of the unfailing response and enthusiasm and invaluable aid I have received from my fellow officers—and, indeed, from all of you with whom I have come in contact. Your cheerful willingness to under-

take any task which is assigned to you, and your splendid co-operation with me, and with each other, have been an inspiration to me.

Let us pledge ourselves anew to continue to strive for the three objectives of our Church as stated in our constitution: namely, Extension of the Kingdom, Religious Education and Christian Social Service. Let us go forward together in the work of our Lord and Master as we pray fervently that we do our part in "Sharing in Redemption."

CHRISTIAN EDUCATION

Appended to these brief paragraphs is a working outline, planned for new Secretaries of Christian Education. I should like to add a short message to those Secretaries. First, though she may have been told by the importunate Chairman of the Nominating Committee that her new job would be "just planning the program" she will soon find out, if she is conscientious, that it is infinitely more than that. Once she is acquainted with the materials for just that she will be be drawn into the planning of most of the other Departments to provide a really broad program. That is as it should be. Outsie her own Department such contributions might well be in suggestions of methods and techniques, rather than in content. Increasing knowledge of the resource material of National Council will give her a widening sense of the infinite possibilities of audio-visual education in all departments. Interdepartmental planning is essential to a well-rounded Woman's Auxiliary endeavor.

In the second place, I am convinced that the new Secretary of Christian Education is often late in sensing the help she has in our Church's publications, particularly *Churchways,* for practical program ideas, and *Forth* for stimulus to the missionary interest. To miss these magazines would be almost as deplorable as to fail to work constantly for the parish-wide use of The Church's Teaching Series publications.

In the third place, the new Secretary of Christian Education will find out early in her career that not only in National Council offering far and wide, a wealth of material, but it is sending travelling teams of skilled interpreters of that material to places where their help is asked. A Secretary who works for the coming of such teams to her parish and her Diocese is deepening the influence of her Department.

These few points are less than a minimum for lack of space. Because there is such opportunity for service in the Department, and because its resources are so rich and varied I should like to venture the suggestion that wherever possible the Secretary of this Department might well be prevailed to serve for two years. There is much to learn that takes time. One's horizons tend to widen; greater possibilities develop; one's interest in the work grows infinitely. Christian Education, in the broadest sense, offers a Secretary the privilege of a stake in rousing Christian citizenry to what may be its last stand against the shabby materialism of a sorry world. Anything less than her best is not enough to bring to the job.

Retiring Secretary of Christian Education

CHRISTIAN EDUCATION 1952-1953

Below are the suggestions of the National Council for the year's program of the Woman's Auxiliary. Space prevents our quoting the names of all the books offered. Every Secretary of Christian Education should send to 281 Fourth Avenue, New York 10, New York, for the complete list of the publications of the Friendship Press for the Missions Study emphasis, and to 28 Havemeyer Place, Greenwich, Connecticut, for the list of Seabury Press publications giving a comprehensive idea of the materials gotten out in the Church's Teaching Series. With these as a basis for planning she can build her program with the needs and the capabilities of her branch in mind.

1. Overseas Missions Theme: Liberia
   Africans on Safari—Leslie Sayre
   African Heritage—Emory Ross

(Friendship Press listing gives you an idea of the contents of each of the above, as well as other suggestions.)
Guide for Adults on Africa—Shannon

2. Home Missions Theme: Home Missions and Human Rights
   These Rights We Hold—Fred Brownlee
   Accent on Liberty—Mabel Sheibley
   Guide for Adults—Ziegler

3. Church's Teaching Series—one selection.

At this point we hesitate to specify one certain book of this series, feeling that there is a value to each of them, and that the selection should be made with the list of all the publications before the planning committee.

4. The Department of Christian Social Relations asks the cooperation of our Department in having at least one program based on the division of the book, called "*Parishioners Are People*" that is called, *They Were Their Neighbors*. (If you did this book last year you might stress some of the several thought-provoking points that the above chapter points out.)

5. Your attention is called to the recent printing by the Friendship Press of two single programs, calculated to fill a need that occasionally arises. One of these, *Consider Church Unity*, speaks for itself: the other, *Backyard Neighbors*, deals with phases of the work of the Home Department.

Maps and other audio-visual material will be developed as time goes and the need arises. They are well-nigh indispensable additions.

CHRISTIAN SOCIAL RELATIONS

Serving as your Christian Social Relations secretary is a precious experience. I am receiving far more than I could possibly give in return, however hard I try. Thank you for one of the happiest, most wonderful years of my life.

Christian Social Relations express a love for God and our fellowmen through action reflecting a sensitive understanding of His will. What they include seems to be the least understood part of auxiliary work. Our Church provides a wealth of material to guide us to a better understanding. Few secretaries draw on it. I have prayed for the wisdom and opportunity to interpret it to them.

Christian Social Relations secretaries should make a special effort to go to the Woman's Auxiliary conference at Vade Mecum and to Kanuga. Last summer the Christian Social Relations course at Kanuga was such fundamental help and so thrilling that in the fall it was shared with district and branch secretaries meeting together. I expect to call a similar meeting this fall. With my fall letter to branch and district secretaries went an outline of program suggestions and a list of reading material. January letters included resolutions passed at the Provincial meeting. I have spoken at six auxiliary meetings, one district meeting and two district work-shops.

Probably our best work has been in social service, including volunteer work, Church institutions and overseas relief. Our hands have reached out to Japan, Korea, Jerusalem, Brazil, Alaska and Greece. We have contributed through Church World Service, ARK, Care, local, and other agencies. Money and supplies were given for use in the Ministry to the Migrants, and from one branch, funds for a portable altar. There is general participation in social worship, and we are cooperating with local Councils of Church Women. An important part of their program, some of it under the heading of Christian World Relations, falls in the field of Christian Social Relations. Through Christian Fellowship we minister to God's lonely, ill and troubled children, whoever and wherever they may be. Visits were made to prisons and hospitals. One branch held prayer meetings among the shut-ins. Another carried out a plan of the Diocesan Armed Services Committee, extending fellowship to service men from the parish by sending them the service cross and prayer book, a monthly parish letter, and having special prayers and a roll call of remembrance at services.

Efforts to solve social problems by action as an auxiliary alone or in cooperation with other groups constitute social action, one of our weak spots, but here are interesting examples. Several branches lent parish facilities for community activities and weddings. By raising funds, others helped establish and maintain Bible teaching in the schools. One branch reports great progress in efforts to obtain a suitable school building. Whatever action you begin, be sure to see it through and keep an eye on it afterwards. Some auxiliaries had programs on social legislation. Three took action protesting the proposed appointment of an ambassador to the Vatican and so informed the President, our Senators and Congressmen. One branch was instrumental in having a Town Meeting on universal military training.

There were many auxiliary programs on or related to Christian Social Relations and some social study groups. Let's have

more of them with programs that lead into action, the real objective of Christian Social Relations. Quoting from one of my favorite magazines, *The Church Woman*, "Study without action is futile; action without study is fatal."

As far as I know, we almost completely failed to respond to "The Christian Woman's Action Program for World Peace," a social action project considered most important by our National Church and Province. As individuals and auxiliaries, please adopt this step-child and give it your attention in the coming year. For individual reading on this subject and for discussion in small groups, use, *"Christian Foundations for Lasting Peace"* available from "National." None of us are exempt from highway hazards, neither lazy-passenger, driver, nor pedestrian. Another social action project will be for branches to investigate the problem of highway safety in North Carolina, particularly the high accident rate between the ages of eighteen and twenty-four, and what is being done about it, to look for the answer and to take action that will help to correct this situation that claimed 1,071 lives in this state last year, injured 15,123 and affected the lives of so many others. In support of a resolution adopted at the meeting of our Province, it is hoped that joining with all denominations we will unite with authorities in preparation for civil defense. Last, but not least, together with minority groups we will dedicate ourselves to the application of Christian principles in arriving at a mutual understanding and cooperation.

We will continue to help the North Carolina Council of Churches' Ministry to the Migrants. My fall letter will carry detailed directions about materials and clothing needed for the Refugee Work-rooms in the Anglican diocese of Jerusalem. By sending gifts of money for overseas relief through the Presiding Bishop's Fund for World Relief, we will make sure of participating in projects approved by the World Council of Churches.

This year our National Council's Christian Social Relations Department is conducting a nation-wide survey to use as the basis for long-range planning and "to discover how all of us together may stimulate our social study and community action in the National Church, in the dioceses and in the parishes." Feeling sure of your support, I had asked that our Woman's Auxiliary be given the opportunity for closer cooperation with the Diocesan Executive Council's Christian Social Relations Department and when its chairman was called to another state, as your secretary I was drafted to carry on the survey here. In one of the parishes selected for it there is no minister and an auxiliary member has assumed survey responsibility.

There has been self-analysis at the diocesan level. To be prepared to forge ahead with plans coming out of Triennial, each branch and district should analyze its Christian Social Relations set-up and program. Both should have a well-functioning Christian Social Relations committee that studies, makes and sets plans in motion and serves as a resource. I firmly believe that if every secretary, committee member and auxiliary president would carefully read National's guide-book "When You're Chairman of Social Relations" it would pay big dividends. Only by knowing our weakness as well as our strength can we truly measure the adequacy of our stewardship and keep from leaving undone those things which we ought to have done in that part of the Master's work with which we are entrusted.

HARRIET ROCKWELL PURSER,
Christian Social Relations Secretary

OBJECTIVES

A. To have each Branch support this phase of the Auxiliary Program, by giving generously to the Supply Fund, and by aiding each Branch Secretary in carrying out the Supply Work.

B. To have each Branch President answer carefully the questions about Supply, on her annual report—especially the one concerning sewing.

C. To have each Branch Supply Secretary:
1. Know the work of her department and make it known to her Branch members.
2. Have at least one large ingathering of used clothes for Thompson Orphanage each year and urge members to send clothing throughout the year.
3. If asked to send used colthing to Tuttle Community Center to advise her Diocesan Supply Secretary if unable to to do, as only assigned Branches are expected to send clothing there.
4. Make proper reports on all sewing and used clothing sent, immediately after it is shipped.
5. Cooperate with other departments, such as Christian Socal Relations, when practical, also reporting such.
6. Assume the responsibility of being *active* Supply Secretary.

D. To have each District Supply Secretary know the work of the Department and aid the Diocesan Secretary in carrying out her work.

E. To have the Diocesan Supply Secretary coordinate the work, make all purchases, being careful to study both quality and cost, and seek to fulfill the duties of her office, to Branch, District, Diocesan and National Supply Departments.

Each year through growing cooperation we come nearer to meeting our objectives. Though you may not realize it, this very important work touches each Auxiliary member in one way or another—through gifts of time and talent, gifts of clothing or gifts of money. We want you to understand this very tangible work and become even more interested in it.

I am deeply grateful for the warm welcome accorded me by our President, Mrs. Lucas, and the entire Diocesan Board; for the wise counselling and complete records turned over to me by

Mrs. Labouissee; for the prompt receipt of Supply Funds from Mrs. Armstrong as they were received from the Branches; for the indispensable aid of the District Supply Secretaries in distributing sewing materials to the Branches; for the able support and fine reports of the Branch Supply Secretaries; and for the share each Auxiliary member has had in bringing comfort to the hundreds of men, women and children who are served by our Supply program. This has indeed been a good year.

DOROTHY C. QUINN
Secretary of Supply

PERSONNEL

The Department of Personnel is concerned with recruiting, training, placing and keeping in touch with the women workers in our church today. There is a crying need for many more trained women than are available for Directors of Religious Education, College Workers, Parish Secretaries, Social Workers, Teachers and Nurses.

The objectives of the Personnel Department are:

1. To interest young women in seeking a career in the church.
2. To assist them in securing the necessary training, providing scholarships when necessary.
3. To see that the trained workers are placed in suitable jobs.
4. To keep in touch with the women workers in the field at home and abroad.

Our emphasis now is being placed on the first of these objectives. The methods which Personnel Secretaries may use in trying to interest young women in becoming trained workers for the church are: By advertising the needs of the church so that young and old will know of the challenging opportunities awaiting young women who would like to make the service of God their life work. This is best accomplished through programs in the Auxiliary and the Y. P. S. L. and through personal contact with outstanding young people. Each Parish Secretary must be sure that the young people in her parish are aware of the professions open to them in church service.

The following leaflets will be of help to all parish secretaries of Personnel:*

1. Tell us about Personnel. (free)
2. Consider the Church. (free)
3. What shall I do with my life, by Angus Dun. 0.03.
4. Hints on Recruiting. 0.05.
5. When you're Personnel Chairman. 0.05.
6. The Church: a profession for women. 0.50.

Last year in our combined training schools—St. Mary's House, Philadelphia, St. Margaret's House, Berkeley, California and Windham House, New York City there were only forty-seven students enrolled. This is a pitifully small number for the whole United States and cannot possibly take care of all our needs.

It is hoped that each member of the Womans' Auxiliary will feel an individual responsibility in creating an interest in this

*Secured from 281 Fourth Ave., N. Y.

program by talking about it to the young people within her sphere of influence.

Secretary of Personnel

UNITED THANK OFFERING

1. The objectives of the United Thank Offering are to reach all women of the Episcopal Church in order to give them the privilege of presenting their gifts and prayers from thankful hearts. These are "gifts" with a future.

2. The methods of sharing this "perfect way of giving" are through personal contacts, better planned programs, a constant flow of material; plus a more conscientious use of these materials by local Custodians.

3. The sources of material for this Diocese are: "The Living Church," "The Carolina Churchman," "Forth," "Churchways," your Diocesan Custodian, Audio Visual Department and the Book Store, 281 Fourth Ave., New York, N. Y. Then too, your United Thank Offering Workshops at District Meetings and the Woman's Auxiliary Conference at Vade Mecum on the 9th of June.

4. I have made visits and talks to eight (8) branches of the Auxiliary in this Diocese.

I have conducted two Workshops. Attended the Woman's Auxiliary Conference at Vade Mecum and the Regional Conference at Birmingham, Ala. At this conference, I attended the Workshop conducted by Miss Beardsley, our Associate Secretary of the United Thank Offering from National Headquarters.

Seventy-three packets of materials and Blue Boxes have been mailed out to various Branches, upon request. Two letters have been sent to each Custodian in the Diocese and one article in the February issue of the Carolina Churchman.

I know the splendid financial growth of our United Thank Offering, as listed below, is the result of our Local Custodians placing Blue Boxes in more hands, as well as providing the way for a clearer vision of the joy of giving through "thankfulness and prayer"; plus the untiring efforts of the District Custodians in gathering our offering.

Respectfully submitted,

SUSAN L. STEELE
Diocesan Custodian of
United Thank Offering

INTERRACIAL

I am happy to report that the work of the Auxiliary in the Negro District shows continued growth in many fields of activity. The 1945 annual report showed only four branches with Youth Leaders. In 1951 eleven branches had workers, and our hope is, that all branches will fall in line in this important phase of work before another year ends.

Signs of growth are also shown in the United Thank Offering with thirteen branches increasing their offering and eight branches more than doubling the annual amount turned in since 1945.

Our chief desire is to have every branch take part in all phases of the work of the auxiliary. This we feel will be done if we redouble our efforts, and give full support to our Field Worker who is so anxious to have us make full use of our capabilities.

"We must realize that leaders are not those with extraordinary talents; but just ordinary folk with an extraordinary sense of their duty to God and to their fellow man."

ANNIE BLACK
Interracial Chairman

DIOCESAN FIELD WORKER

The purpose of this work in the field is to keep the women, especially, informed and inspired, through constantly stressing what the five (5) objectives of the Woman's Auxiliary mean to Christian women who are trying to help extend the kingdom of God into the hearts and lives of all people throughout the world.

The methods used must, of necessity, be those that will first of all meet the needs of the individual groups. We try to do this through week-end visits. The reasons for these are as follows: 1st, Your field-worker finds, on account of local conditions, the week-end visits are far more profitable . . . giving better opportunities for branch meetings, conferences, to atend church and church schools, seeing more young people and to visit those who are ill or are in other ways hindered from attending church activities.

During visits I help in every way possible, in program-makings, suggest and plan special meetings, such as Woman's Day and World-Prayer Day programs, Inter-cessory Days, Youth Sundays, Bazaars, etc. (I am very often called upon to speak to the congregations and church schools.)

We stress full participation, as far as possible, in all phases of the Church's program . . . that we put forth every effort to interest every woman to learn to "put first things first" (a lesson all need to learn more thoroughly) and to enjoy the rare privilege of being permitted to work in the Master's vineyard. To keep abreast of the times in the church life by study: to read Forth, Church-Ways, the North Carolina Churchman, and other church and inter-denominational literature.

To make every effort to attend St. Augustine's Conference, our District and Annual meetings . . . to foster and visit Camp DeLaney.

Number of visits . . . I have visited seventeen (17) of the eighteen (18) congregations on an average of twice a year (find it important to visit some places more often.) We have meetings

with the women and young people. Conferences often with the clergy, the branch and district officers (Diocesan, when possible).

I gain much help and inspiration from regular attendance at the meetings of the Department of Christian Education.

During vacation periods it was a rich privilege to visit Windham House and to take part in a Retreat and to share in the "W. H. Alumni" and the "Professional Church Women's" organizations. Your field-worker has been graciously accepted as a member of these organiaztions. I also took advantage of visiting "281" examining "What's New" in Church Literature and selecting some needed for our work. Have visited one (1) Prison Camp in Edgecombe County with the rector and his wife at St. Luke's, Tarboro.

Results . . . It is not easy, all must agree, to estimate the results of such work as ours nor the great good we always pray will come of our efforts.

In this World-Wide organization, The Woman's Auxiliary, opportunities are so numerous, one often trembles lest some thing has been overlooked—but we do get a great satisfaction, nevertheless, when one is assured of the appreciation and can see and feel the "Yearnings" when you are told "We are so glad you have come and you have helped us so much!"

May all who read this report pray with us that all of the women in our Diocese will unite more and more in this great work and can join with the poet who says:

"Go labor on! Spend and be spent
Thy joy to do the Father's will
It is the way the Master went
Should not the servant tread it still?"

YOUTH WORK

There have been times when I have felt discouraged about our work for the Youth of this Diocese, and have wondered if we were as conscientious in this phase of our work as we were in some of the others. I believe that most branch secretaries share the feeling of inadequacy with me—we just don't seem able to accomplish the things that we know need to be done, and we often don't know how to go about it.

But, thank goodness for two facts. We need never feel discouraged about our young people themselves, nor need we ever for one moment think that they are inadequate. Youth, among many other things, is demanding, and while they may not be able to analyze their needs, they are acutely conscious of them; and if we of the Church give them half a chance to express themselves they will let us know what they feel that they need. It is up to us to supply these needs under Church guidance.

From the reports which I receive I am happy to report that practically every branch has some phase of Youth Work—YPSL, Altar Guilds, Acolyte Guilds, Boy and Girl Scouting—and I have noticed a growth in these activities in the past two years. These activities are splendid and I wish that I thought that I had had even a small part in shaping them, through contact with the branch secretaries and through the workshops which we have had at Vade Mecum for the past two years, but again I believe that the increase in Youth Work in our diocese is due to the young people themselves being eager and ready for the fellowship of the Church.

This brings me to the most important phase of Youth Work, and the one in which every parishoner can participate, and that is, and I cannot say it too often—letting our young people know that we love them; that we want them to share every blessing and benefit which the Church can give—work and fellowship, worship and sacraments, and we can only let them know this by welcoming them gladly in all our activities—not impatiently when they make mistakes—not critically when their way isn't our way; but as beloved children of God who look to us for guidance, but who above everything else want our loving interest. Won't each of you consider herself a "Youth Work Secretary" and give each young person in your parish a warm smile of greeting, a friendly word, and a place in your plans and projects? I firmly believe that you will see a change in the youth of your parish if you will just show them you love them.

The following list of "Duties of Youth Work Secretaries' is copied from the Youth Work Handbook:

1. Keep your Auxiliary informed of the activities and needs of the Youth.
2. Keep your Parish informed of the needs and activities of the Youth.
3. Cooperate with the Rector, Sunday School, and other organizations in procuring adult leadership.
4. Study the needs of the youth in your parish and try to interest the parish in providing the means to fill them.
5. Subscribe to Youth Leaders Mailing List—281 Fourth Ave., New York 10, N. Y., $1.00.
6. Urge observance of special communions for youth, as designated by the National Council.

7. Interest your parish and the Auxiliary in providing scholarships for the Youth Conference, Y.P.S.L. Convention, and to the camps at Vade Mecum and Camp Delaney.

8. The Secretary is not necessarily required to act in the capacity of advisor or leader to the Youth groups, unless she has the talent, and is requested by the Rector or organization

CHURCH PERIODICAL CLUB

The Church Periodical Club is a national organization of the Episcopal Church to supply both religious and secular magazines, books, new Christmas and Easter cards, games and pictures, etc., to the church's missionaries, clergy, missions, schools and individual lay people at home and abroad.

This is done by donations of money, magazine subscriptions, and by offering to re-mail magazines that you have finished reading.

I hope all of you are familiar with the Walter E. Peck Co. of Gallsburg, Illinois. If you aren't, please make it a point to know them right away. It is the magazine agency that gives us a discount and enables us to make a small amount of money on each subscription. The subscription does not have to have a church connection to get the discount. If you haven't a Walter E. Peck booklet, please write for one now. If you should want to write to National Council for quicker action concerning placement of magazines, the address is: Miss Adeline Sogan, C. P. C., 120 E. 22nd St., New York 10, N. Y. Please report to me *everything* you do or our diocese will get no credit.

I am more than pleased with the progress we have made since last year and I want to thank each secretary for the increasing interest that has been shown throughout the diocese.

MISSIONARY CORRESPONDENT

I have the privilege of submitting my second report as Missionary Correspondent of the Diocese of North Carolina. I wish to express a keen sense of appreciation and gratification that we as Missionary Correspondents of the various parishes and districts have manifested a true Missionary spirit.

We have studied the church's program for Missionary service in order that we know the needs and activities of our representatives in the foreign and home mission fields. We must be in contact with them to prove ourselves adequate to the weight of our spiritual responsibility and obligations. If we accept the challenge and meet the new imperative of this crucial time, God will give us divine guidance and He will sustain and strengthen us to render our best service in this religious work of helping to make this a Christian World.

Our great opportunity is the growing church in the mission fields where we can encourage true Christian fellowship. Therefore, we should purge ourselves of prejudices and unchristian attitudes and learn to have a world vision. We must strive to be realistic of our opportunities to learn of the church's activities in world affairs. The new impulse is being felt as a dominant force in the religious and political world. It is touching with divine beneficence the matter of fact material world and has brought the love of God and all other consolations of religions down from the pulsing everyday world upwards towards the light. The time has passed when Christian women can continue to be individualists in a narrow parochial and provincial minded way.

We must begin to think on a national and universal scale in terms of God's slowly evolving world-wide humanity.

BLANCHE S. ROBERTSON
Missionary Correspondent

SUGGESTIONS FOR MISSIONARY CORRESPONDENTS

1. Study purple book, know your Church, the Church's program and your officers.

2. Know the missionaries that are assigned to your district.
   A. Pray for them.
   B. Remember them with cards and letters.

3. Take every opportunity to acquaint your parish correspondents with their missionaries.
   A. Try to get as many programs in as you can.
   B. Remind your rector to have mission prayers at corporate communions.
   C. Try to get *Forth* in each home.
   D. Each correspondent should have "The Calendar of Prayer for Missions." This little book will keep us well informed on the lives and works of our missionaries. The more we know about these saints of God and messengers of the word of God, the more we are going to help them with their wonderful work.

REPORT OF THE REPRESENTATIVE ON THE STATE LEGISLATIVE COUNCIL

Objectives—The State Legislative Council is composed of members of 16 State organizations, representing a total membership of 105,000. Its purpose is to propose and support better social legislation in North Carolina. The Woman's Auxiliary of the Diocese of North Carolina is one of only three church groups represented.

Methods—The Council meets in Raleigh four times a year to select items for study which have been proposed by member organizations, so that in legislative years a program of action may be presented to the General Assembly in the form of actual bills. No item is placed on the agenda without careful study by technical experts, and no final program is adopted without unanimous consent by each member organization.

Weakness of Program—While the State Legislative Council is far from perfect, it is a step in the direction of better legislation. Due to the size of the Council, and infrequency of meeting, it has been impossible to have information available for study prior to our annual meeting. We should be informed on both sides of each question before any vote is taken. Some improvement will be made next year since Legislative Council Programs may be adopted in December, which will allow some time for advance study by member groups before voting.

Recommendations—Due to the increased importance of the need for Christian leaderships at all levels of government, beginning with the precinct, it is our suggestion that a Committee be appointed to study the whole field of legislation and the responsibility of the Woman's Auxiliary to it. Consideration should be given to: Continued membership in Legislative Council. b. Ways of channeling information to members, with consideration of appointment of Legislative Chairman in each branch of Auxiliary. c. Fields of legislative activity. Citizen responsibility, emphasizing the importance of the vote. (In last national election nearly 40 million did not vote.) Our policy towards legislation. There is a definite place for church women in the broad areas of juvenile delinquency, highway safety, and citizen responsibility and participation in government.

Tentative Program for 1953—Submitted herewith are items selected by the State Legislative Council, for your vote. Item 6 has already been rejected by one organization, and will therefore not appear on the final program. All items were listed in the March issue of the N. C. Churchman, and have been submitted to each delegate, with reasons for selection.

1. Provide at State expense for employment of attendance workers with State supervision for improving school attendance for the enforcement of compulsory school attendance law.
2. Provide for minimum wage standards.
3. Provide for the protection of children without natural guardians through clarification of legal procedures relating to personal guardianship of a minor.
4. Increase the jurisdiction of the juvenile court so as to include children 16 years of age.
5. Provide for minimum standards of all new housing.
6. Forbid the use of pari-mutual machines or other such gambling devices in connection with the operation of dog tracks and horse race tracks in any section of the State.

MRS. JOHN T. RICHARDSON, *Chairman of Legislative Committee and Representative on the North Carolina Legislative Council.*

RESOLUTIONS ADOPTED AT THE WOMAN'S AUXILIARY ANNUAL MEETING

Church of the Good Shepherd, Rocky Mount, April 23-24

I. *Resolved*, That the Woman's Auxiliary be reminded to have a spirit of friendliness in our Churches, calling on newcomers, visiting the sick, and speaking to all who worship with us—whether they are close friends or not.

That we pray earnestly that our Heavenly Father will guide our country in the presidential election this fall, that our beloved land may be led by Christian men.

That we pray that world peace may be a reality and our loved sons and relatives may receive daily the Holy Spirit to comfort and guide them.

II. *Whereas*, The Rev. Edwin B. Jeffress, Jr., has only recently accepted the position of Director of Christian Education in the Diocese of North Carolina and director of Camp Vade Mecum, *Be It Resolved* that the gains thereby secured be brought before the people of the Diocese.

III. *Whereas*, Our retiring president, Mrs. E. F. Lucas, having been elected vice-president of the North Carolina Council of Church Women; and Mrs. E. G. Peoples, member of the Executive Board of the North Carolina Council of Church Women; and the Rt. Rev. Edwin A. Penick, member of the Executive Committee of the North Carolina Council of Churches; and the Rt. Rev. Richard H. Baker, vice-president of the North Carolina Council of Churches; and the Rt. Rev. J. I. Blair Larned, representative of the Episcopal Church of the World Council of Churches; and the Rev. Morton R. Kurtz, Executive Secretary of the North Carolina Council of Churches; and inasmuch as the interchurch movement is gaining in world force expressing itself on local, state and national levels,

Be It Resolved that the Women of the Diocese of North Carolina take their part of the responsibility of this interchurch movement on the local level.

IV. *Whereas*, The Women's Auxiliary to the National Council in the Diocese of North Carolina recognizes the public has been slow in answering the call to Civil Defense, and

Whereas, Many church women have been previously trained for work in emergencies, now, therefore

Be It Resolved that it is the sense of this Annual Meeting that the Episcopal Churches join where practicable in the Civil Defense Program.

V. *Whereas*, The Christian Woman's Action Program for World Peace was adopted by the Department of United Church Women of the National Council of Churches and by the Women of the Province of Sewanee in 1951 meeting, and has been urged for study and action by the National Staff of the Woman's Auxiliary of the Protestant Episcopal Church; therefore

Be It Resolved that the women of the Diocese of North Carolina dedicate their influence in home, church, community, business and government to build lasting peace and adopt this program. We believe that we should strengthen and use our spiritual resources; therefore, we shall pray that we may be used for peace.

We believe that "This Nation under God" can be a Christian Democracy; therefore, we will live democracy in our home town every day.

We believe that, next to the churches, today's best instrument for peace is the United Nations; therefore, we will know and support it.

We believe that we must identify ourselves with the needs, the sufferings, the longings of the people of the world; therefore, we will discipline ourselves to share our abundance of spiritual and material resources.

We believe we must understand the issues in the struggle for peace; therefore, we will study and discuss with our family and neighbors the issues of the peace.
